Item 1.01 Entry into a Material Definitive Agreement.

On December 13, 2023, Better Therapeutics, Inc., a Delaware corporation (the “Company”) entered into a ChEF Purchase Agreement (the “Purchase Agreement”) and a Registration Rights Agreement (the “Registration Rights Agreement”), each with Chardan Capital Markets LLC (“Chardan”) related to a “ChEF,” Chardan’s committed equity facility (the “Facility”). Pursuant to the Purchase Agreement, the Company has the right from time to time at its option to sell to Chardan up to the lesser of (i) \$50,000,000 in aggregate gross purchase price of newly issued shares of the Company’s common stock, par value \$0.0001 per share (the “Common Stock”), and (ii) the Exchange Cap (as defined below), subject to certain conditions and limitations set forth in the Purchase Agreement. The Company is under no obligation to sell any securities to Chardan under the Purchase Agreement.

While there are distinct differences, the Facility is structured similarly to a traditional at-the-market equity facility, insofar as it allows the Company to raise primary equity capital on a periodic basis outside the context of a traditional underwritten follow-on offering. From and after the Commencement (as defined below), sales of Common Stock to Chardan under the Purchase Agreement, and the timing of any sales, will be determined by the Company from time to time in its sole discretion and will depend on a variety of factors including, among other things, market conditions, the trading price of the Common Stock and determinations by the Company regarding the use of proceeds of such Common Stock. The net proceeds from any sales under the Purchase Agreement will depend on the frequency with, and prices at, which the shares of Common Stock are sold to Chardan. The Company expects to use the proceeds from any sales under the Purchase Agreement, together with our existing cash and cash equivalents, predominantly to support the commercialization of AspyreRx, its lead product, in type 2 diabetes, which we launched in October 2023, and for general working capital purposes.

Upon the satisfaction of the conditions to Chardan’s purchase obligation set forth in the Purchase Agreement (the “Commencement” and the date of initial satisfaction of all of such conditions, the “Commencement Date”), including that a registration statement registering the resale by Chardan of shares of Common Stock issued to it by the Company under the Purchase Agreement (the “Initial Resale Registration Statement”) under the Securities Act of 1933, as amended (the “Securities Act”), which the Company agreed to file with the Securities and Exchange Commission (the “SEC”) pursuant to the Registration Rights Agreement, is declared effective by the SEC (the date of such effectiveness, the “Effective Date”) and a final prospectus relating thereto is filed with the SEC, the Company will have the right, but not the obligation, from time to time at the Company’s sole discretion over the 36-month period from and after the Effective Date, to direct Chardan to purchase up to an amount of shares of Common Stock (the “VWAP Purchase Share Amount”) not to exceed certain limitations set forth in the Purchase Agreement (each, a “VWAP Purchase”) by delivering a written notice (a “VWAP Purchase Notice”) to Chardan after 6:00 a.m., New York City time, but prior to 9:00 a.m., New York City time on any trading day (the “Purchase Date”), so long as all shares of Common Stock subject to all prior VWAP Purchases and Intraday VWAP Purchases (as defined below) theretofore required to have been received by Chardan have been received by Chardan in accordance with the Purchase Agreement and certain other conditions have been satisfied. The purchase price of the shares of Common Stock that the Company elects to sell to Chardan pursuant to the Purchase Agreement will be determined by reference to the volume weighted average price of the Common Stock (“VWAP”) during the applicable Purchase Date on which the Company has timely delivered a VWAP Purchase Notice (and/or Intraday VWAP Purchase Notice (as defined below), as applicable), less a fixed (i) 5.0% discount to such VWAP until the aggregate sum of such VWAP equals \$2,500,000 and (ii) 3.5% thereafter.

In addition to the regular VWAP Purchases described above, after the Commencement, the Company will also have the right, but not the obligation, subject to the continued satisfaction of the conditions set forth in the Purchase Agreement, from time to time at the Company’s sole discretion over the 36-month period from and after the Effective Date, to offer to Chardan the right to or, in certain circumstances, to direct Chardan, to purchase, on any trading day, including the same Purchase Date on which a regular VWAP Purchase is effected, up to an amount of shares of Common Stock (the “Intraday VWAP Purchase Share Amount”) not to exceed certain limitations set forth in the Purchase Agreement that are similar to those that apply to a regular VWAP Purchase (each, an “Intraday VWAP Purchase”), by delivering a written notice (each, an “Intraday VWAP Purchase Notice”) to Chardan prior to 3:00 p.m., New York City time, on such Purchase Date.

The Purchase Agreement provides that the number of shares of Common Stock issuable pursuant to any VWAP Purchase Notice (and, if applicable, the number of shares of Common Stock issuable pursuant to any Intraday VWAP Purchase Notice delivered on the same Purchase Date that such VWAP Purchase Notice is delivered) shall not, without Chardan's express written agreement, exceed the lesser of: (i) the number of shares of Common Stock which, when aggregated with all other shares of Common Stock then beneficially owned by Chardan and its affiliates, would exceed the Beneficial Ownership Limitation (as defined below), (ii) the number of shares of Common Stock which would cause the total aggregate purchase price to be paid by Chardan in any VWAP Purchase together with, if applicable, all Intraday VWAP Purchases, made on one Purchase Date, to exceed \$2.0 million, (iii) the number of shares of Common Stock that equals 20% of the total number (or volume) of shares of Common Stock traded on The Nasdaq Capital Market ("Nasdaq") (or a successor Principal Market (as defined in the Purchase Agreement)) during the applicable purchase period on such Purchase Date and (iv) the VWAP Purchase Share Amount (for a VWAP Purchase) or the Intraday VWAP Purchase Share Amount (for an Intraday VWAP Purchase).

Under the applicable rules and regulations of Nasdaq, in no event may the Company issue to Chardan under the Purchase Agreement more than 10,051,538 shares of Common Stock, which number of shares is equal to 19.99% of the shares of the Common Stock outstanding immediately prior to the execution of the Purchase Agreement (the "Exchange Cap"), unless the Company's stockholders have approved the issuance of Common Stock pursuant to the Purchase Agreement in excess of the Exchange Cap in accordance with the applicable rules and regulations of Nasdaq or such approval is not required in accordance with the applicable rules and regulations of Nasdaq or otherwise. The Exchange Cap is not applicable to issuances and sales of Common Stock pursuant to VWAP Purchases and Intraday VWAP Purchases that the Company may effect pursuant to the Purchase Agreement to the extent such shares of Common Stock are sold in such VWAP Purchases or Intraday VWAP Purchases (as applicable) at a price equal to or in excess of the applicable "minimum price" (as defined Nasdaq Listing Rule 5635(d)) of the Common Stock, calculated at the time such VWAP Purchases or Intraday VWAP Purchases (as applicable) are effected by the Company under the Purchase Agreement, if any, as adjusted as necessary for compliance with the rules of Nasdaq to take into account certain fees and expenses payable and/or reimbursable by the Company to Chardan. Moreover, the Company may not issue or sell any shares of Common Stock to Chardan under the Purchase Agreement which, when aggregated with all other shares of Common Stock then beneficially owned by Chardan and its affiliates (as calculated pursuant to Section 13(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and Rule 13d-3 promulgated thereunder), would result in Chardan beneficially owning more than 4.99% of the outstanding shares of Common Stock (the "Beneficial Ownership Limitation").

There are no restrictions on future financings, and no rights of first refusal, participation rights, penalties or liquidated damages in the Purchase Agreement or Registration Rights Agreement, as applicable, other than a prohibition on entering (with certain limited exceptions) into a Specified Transaction (as defined in the Purchase Agreement), as further described in the Purchase Agreement. At no time prior to the date of the Purchase Agreement has Chardan engaged in or effected, in any manner whatsoever, directly or indirectly for its own principal account, any (i) "short sale" (as such term is defined in Rule 200 of Regulation SHO of the Exchange Act) of the Common Stock or (ii) hedging transaction, which establishes a net short position with respect to the Common Stock that remains in effect as of the date of the Purchase Agreement.

The Purchase Agreement and the Registration Rights Agreement contain customary representations, warranties, conditions and indemnification obligations of the parties. The representations, warranties and covenants contained in such agreements were made only for purposes of such agreements and as of specific dates, were solely for the benefit of the parties to such agreements, and may be subject to limitations agreed upon by the contracting parties.

The Purchase Agreement will automatically terminate on the earliest to occur of (i) the 36-month anniversary of the Effective Date of the Initial Resale Registration Statement (such term being subject to extension by the parties to the Purchase Agreement), (ii) the date on which Chardan shall have purchased \$50,000,000 of shares of Common Stock pursuant to the Purchase Agreement, (iii) the date on which the Common Stock shall have failed to be listed or quoted on Nasdaq or a successor Principal Market, and (iv) the commencement of certain bankruptcy proceedings or similar transactions with respect to the Company or all or substantially all of its property.

The Company has the right to terminate the Purchase Agreement at any time after Commencement, at no cost or penalty, upon ten (10) trading days' prior written notice to Chardan. Chardan also has the right to terminate the Purchase Agreement upon ten (10) trading days' prior written notice to us, but only upon the occurrence of certain customary events as listed in the Purchase Agreement. Neither the Company nor Chardan may assign or transfer its rights and obligations under the Purchase Agreement or the Registration Rights Agreement.

As consideration for Chardan's commitment to purchase shares of Common Stock at the Company's direction upon the terms and subject to the conditions set forth in the Purchase Agreement, (i) on January 31, 2024, the Company shall pay to Chardan a non-refundable commitment fee of \$50,000, and (ii) on the 6-month anniversary of the Purchase Agreement, the Company shall pay to Chardan a non-refundable commitment fee of \$100,000. The Company will also reimburse Chardan up to \$75,000 for fees and disbursements of Chardan's legal counsel for initial diligence and documentation related to the Equity Facility and additional expense reimbursement for bring-down diligence for each fiscal quarter during which the Facility is active.

The foregoing descriptions of the Purchase Agreement and the Registration Rights Agreement do not purport to be complete and are qualified in their entirety by reference to, and incorporate herein by reference, the full text of the Purchase Agreement and the Registration Rights Agreement, which are filed herewith as Exhibit 10.1 and Exhibit 10.2, respectively.

This Current Report on Form 8-K shall not constitute an offer to sell or a solicitation of an offer to buy any securities, nor shall there be any sale of securities in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or other jurisdiction.

NOW, THEREFORE, in consideration of the representations, warranties, covenants and agreements contained herein and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, intending to be legally bound hereby, the Company and the Investor, hereby agree as follows:

ARTICLE I

DEFINITIONS

Capitalized terms used in this Agreement shall have the meanings ascribed to such terms in Annex I hereto, which is hereby made a part hereof, or as otherwise set forth in this Agreement.

ARTICLE II

PURCHASE AND SALE OF COMMON STOCK

Section 2.1. Purchase and Sale of Stock. Upon the terms and subject to the conditions and limitations of this Agreement, during the Investment Period, the Company, in its sole discretion, shall have the right, but not the obligation, to issue and sell to the Investor, and, in such event, the Investor shall purchase from the Company, up to the lesser of (i) the Total Commitment in aggregate gross purchase price of duly authorized, validly issued, fully paid and non-assessable shares of Common Stock and (ii) the Exchange Cap, to the extent applicable under Section 3.3 (such lesser number of shares of Common Stock, the “**Aggregate Limit**”), by the delivery to the Investor of VWAP Purchase Notices or Intraday VWAP Purchase Notices as provided in Article III, provided that all of the conditions precedent in Article VII shall have been fulfilled at the applicable times set forth in Article VII. For the avoidance of doubt, the Investor shall have no obligation to purchase any Shares unless and until a VWAP Purchase Notice or Intraday VWAP Purchase Notices is received and accepted by the Investor in accordance with the terms, and subject to the conditions and limitations, of this Agreement.

Section 2.2. Closing Date; Settlement Dates. This Agreement shall become effective and binding (the “**Closing**”) upon the delivery of counterpart signature pages of this Agreement and the Registration Rights Agreement executed by each of the parties hereto and thereto.

Section 2.3. Initial Public Announcements and Required Filings. The Company shall, after the Closing but not later than 8:30 a.m. (New York City time) on the first Business Day after the date of this Agreement, file with the Commission a Current Report on Form 8-K disclosing the execution of this Agreement and the Registration Rights Agreement by the Company and the Investor and describing the material terms thereof and attaching as exhibits thereto copies of each of this Agreement and the Registration Rights Agreement and if applicable, any press release issued by the Company disclosing the execution of this Agreement and the Registration Rights Agreement (including all exhibits thereto, the “**Current Report**”). The Company shall provide the Investor and its legal counsel a reasonable opportunity to comment on a draft of the Current Report prior to filing the Current Report with the Commission and shall give due consideration to all such comments. From and after the filing of the Current Report with the Commission, the Company shall have publicly disclosed all material, nonpublic information delivered to the Investor (or the Investor’s representatives or agents) by the Company or any of its Subsidiaries, or any of their respective officers, directors, employees, agents or representatives (if any) in connection with the transactions contemplated by the Transaction Documents. The Company shall use its best efforts to prepare and, within ten (10) Business Days following the execution of this Agreement, file with the Commission the Initial Registration Statement covering only the resale by the Investor of the Registrable Securities in accordance with the Securities Act and the Registration Rights Agreement. At or before 8:30 a.m. (New York City time) on the second (2nd) Trading Day immediately following the Effective Date of the Initial Registration Statement and any New Registration Statement (or any post-effective amendment thereto), the Company shall use its best efforts to file with the Commission in accordance with Rule 424(b) under the Securities Act the final Prospectus to be used in connection with sales pursuant to such Registration Statement (or post-effective amendment thereto).

ARTICLE III

PURCHASE TERMS

Subject to the satisfaction of the conditions set forth in Article VII, the parties agree as follows:

Section 3.1. VWAP Purchases.

(a) **Irrevocable Instructions.** On the Effective Date of the Initial Registration Statement and prior to Commencement, the Company shall deliver or cause to be delivered to its Transfer Agent (and thereafter, shall deliver or cause to be delivered to any subsequent transfer agent of the Company), irrevocable instructions executed by the Company and acknowledged in writing by the Company’s Transfer Agent (the “**Commencement Irrevocable Transfer Agent Instructions**”) directing the Transfer Agent to issue in the Investor’s name in a DRS account or accounts at the Transfer Agent all Shares purchased by Investor, if and when, and in the manner in which, such Shares are purchased in accordance with this Agreement, including Section 3.1(b) below. Upon issuance pursuant to this Agreement, the Shares purchased by Investor in accordance with this Agreement shall constitute “restricted securities” as such term is defined in Rule 144(a)(3) under the Securities Act and the certificate or book-entry statement representing such Shares shall bear the restrictive legend set forth below in Section 10.1(iii). At the time that the Company delivers the Commencement Irrevocable Transfer Agent Instructions to the Transfer Agent, the Company shall use its commercially reasonable efforts to cause its legal counsel to deliver to the Transfer Agent a legal opinion or other letter authorizing the Transfer Agent to remove the Securities Act restrictive legends required by Section 10.1(iii) on the Shares that have been resold by the Investor in a manner described under the caption “Plan of Distribution” in the Registration Statement and otherwise in compliance with Section 4.11 of this Agreement when the Transfer Agent receives from the Investor the Transfer Agent Deliverables with respect to such resold Shares in accordance with this Section 3.1. The Company shall be responsible for the fees of its Transfer Agent and its legal counsel associated with any such legend removals.

(b) **Purchase Notices.** Upon the initial satisfaction of all of the conditions set forth in Section 7.2 (the “**Commencement**” and the date of initial satisfaction of all of such conditions, the “**Commencement Date**”) and from time to time thereafter, subject to the satisfaction of all of the conditions set forth in Section 7.3, the Company shall have the right, but not the obligation, to direct the Investor, by its timely delivery to the Investor of a VWAP Purchase Notice (with a copy to the Transfer Agent), in substantially the form attached hereto as Exhibit D, after 6:00 a.m., New York City time, but prior to 9:00 a.m., New York City time, on a VWAP Purchase Date, to purchase the applicable VWAP Purchase Share Amount, at the applicable VWAP Purchase Price therefor on such VWAP Purchase Date in accordance with this Agreement (each such purchase, a “**VWAP Purchase**”). If the Company timely delivers

a VWAP Purchase Notice to the Investor in accordance with the foregoing sentence and such VWAP Purchase Notice specifies a Target Number, then the Company shall have the right, but not the obligation, to direct the Investor, by its timely delivery to the Investor of an Intraday VWAP Purchase Notice (with a copy to the Transfer Agent), in substantially the form attached hereto as Exhibit E, to purchase during the Intraday VWAP Purchase Period the applicable Intraday VWAP Purchase Share Amount, at the applicable VWAP Purchase Price, on such VWAP Purchase Date in accordance with this Agreement (each such purchase, an “**Intraday VWAP Purchase**”). During a Trading Day, if the Company did not previously timely deliver a VWAP Purchase Notice on such Trading Day in accordance with this Section 3.1(b), then, subject to the satisfaction of all of the conditions set forth in Section 7.3, the Company may submit an Intraday VWAP Purchase Notice to the Investor; if the Investor accepts such Intraday VWAP Notice (which it may or may not do in its sole discretion), the Investor shall purchase up to the Intraday VWAP Purchase Share Amount as specified in such Intraday VWAP Purchase Notice, at the applicable VWAP Purchase Price, on such VWAP Purchase Date and the Company’s obligation to deliver the Shares that are the subject of such Intraday VWAP Purchase Notice shall be binding; provided that if the Investor does not accept such Intraday VWAP Purchase Notice, then such Intraday VWAP Purchase Notice shall be null and void. The Company may timely deliver a VWAP Purchase Notice to the Investor as often as every Trading Day (and may deliver a single Intraday VWAP Purchase Notice in any given day, as specified in the previous two sentences or as specified further below in this Section 3.1(b)), so long as all Shares subject to all prior VWAP Purchases and Intraday VWAP Purchases theretofore required to have been received by the Investor on a timely basis (as set forth in Section 3.2 of this Agreement) have been received by the Investor in accordance with this Agreement. Upon receipt of a VWAP Purchase Notice prepared and delivered by the Company prior to 9:00 a.m., New York City time, the Investor must notify the Company of its receipt of such VWAP Purchase Notice (email being sufficient) (the “**Acknowledgement Receipt**”) by 9:30 a.m., New York City time, on the applicable VWAP Purchase Date. In the event the Company does not receive an Acknowledgement Receipt by 9:30 a.m., New York City time, on the applicable VWAP Purchase Date for such VWAP Purchase, the Company must reforward the previously delivered VWAP Purchase Notice to the Investor (email being sufficient) by 10:00 a.m., New York City time. The Investor must also deliver to the Company an Acknowledgement Receipt to indicate its acceptance of any VWAP Purchase Notice delivered by the Company after 9:00 a.m., New York City time. If the VWAP Purchase Termination Time occurs prior to 3:00 p.m., New York City time, on the applicable VWAP Purchase Date and the Company has delivered to the Investor an Intraday VWAP Purchase Notice prior to 3:00 p.m., New York City time, on such VWAP Purchase Date, the Investor shall be obligated to purchase, during the Intraday VWAP Purchase Period, the Intraday VWAP Purchase Share Amount; provided that the Investor will not be obligated to purchase the Intraday VWAP Purchase Share Amount to the extent that such Intraday VWAP Purchase Share Amount, when aggregated with the Shares purchased pursuant to the VWAP Purchase Notice applicable to such VWAP Purchase Date would exceed the VWAP Purchase Commitment Amount. If the VWAP Purchase Share Amount (together with the Intraday VWAP Purchase Share Amount) on any Trading Day exceeds the VWAP Purchase Commitment Amount applicable to that Trading Day, the Investor may, in its sole discretion, purchase any amount of Shares that is not less than the VWAP Purchase Commitment Amount and not more than the sum of the VWAP Purchase Share Amount and the Intraday VWAP Purchase Share Amount for such Trading Day. For the avoidance of doubt, the Investor shall not be required to purchase any amount of Shares that is more than the VWAP Purchase Commitment Amount for such Trading Day, and the Investor’s commitment to purchase Shares is subject to the other conditions and limitations provided in this Agreement.

(c) **Written Confirmation.** At or prior to 5:30 p.m., New York City time, on the VWAP Purchase Date for each VWAP Purchase and each Intraday VWAP Purchase, if applicable, the Investor shall provide to the Company and the Transfer Agent a written confirmation for such VWAP Purchase or Intraday VWAP Purchase (i) confirming that the Investor’s representations, warranties and covenants set forth in Section 4.11 of this Agreement are true and correct as of such VWAP Purchase Date, and (ii) setting forth the applicable VWAP Purchase Price, the total number of Shares being purchased by the Investor in such VWAP Purchase or Intraday VWAP Purchase, the total aggregate VWAP Purchase Price to be paid by the Investor for such VWAP Purchase or Intraday VWAP Purchase, the VWAP Purchase Period and (if applicable) the Intraday VWAP Purchase Period, and, if the Investor is purchasing a number of Shares less than the VWAP Purchase Share Amount or Intraday VWAP Purchase Share Amount, the Investor’s calculation of the VWAP Purchase Commitment Amount.

(d) **Alternative Share Delivery.** If the Investor has resold Shares in a manner described under the caption “Plan of Distribution” in the Registration Statement and otherwise in compliance with Section 4.11 of this Agreement prior to the delivery by the Investor to the Company of the written confirmation described in Section 3.1(c) above, the Investor shall concurrently with the delivery by the Investor to the Company of the written confirmation

described in Section 3.1(c) above (i) send a confirmation to the Transfer Agent setting forth the number of such Shares that have been so resold and the date of such resales (such confirmation, the “**Transfer Agent Confirmation**”) and (ii) deliver to the Transfer Agent the items set forth in clause (b) of the definition of DWAC Shares with respect to such resold Shares (collectively, the “**Transfer Agent Deliverables**”). With respect to Shares resold by the Investor as described in the preceding sentence and as to which the Investor has timely delivered the Transfer Agent Deliverables with respect to such resold Shares, in lieu of delivering such resold Shares to the Investor in accordance with Section 3.2, such Shares shall be delivered and credited by the Transfer Agent using the Fast Automated Securities Transfer (FAST) Program maintained by DTC (or any similar program hereafter adopted by DTC performing substantially the same function) to the account with DTC of the Investor’s designated Broker-Dealer as specified in the Transfer Agent Deliverables with respect to such resold Shares at the time such Shares would otherwise have been required to be delivered to the Investor in accordance with Section 3.2, which Shares (x) shall only be used by the Investor’s Broker-Dealer to deliver such Shares to DTC for the purpose of settling the Investor’s share delivery obligations with respect to the sale of such Shares, which may include delivery to other accounts of such Broker-Dealer and inclusion in the number of Shares delivered by that Broker-Dealer in “net settling” that Broker-Dealer’s trading of shares of the Company’s Common Stock, including its positions with the Broker-Dealers of the respective persons who purchase such Shares from the Investor, and (y) shall remain “restricted securities” as such term is defined in Rule 144(a)(3) under the Securities Act until so delivered. The Company and the Investor acknowledge that, if and when the Investor has (i) resold Shares in a manner described under the caption “Plan of Distribution” in the Registration Statement and otherwise in compliance with Section 4.11 of this Agreement and (ii) timely delivered the Transfer Agent Deliverables with respect to such resold Shares, the Transfer Agent shall cause such resold Shares (as applicable) to be subsequently credited using the Fast Automated Securities Transfer (FAST) Program maintained by DTC (or any similar program hereafter adopted by DTC performing substantially the same function) to the account with DTC of the Investor’s designated Broker-Dealer as specified in the Transfer Agent Deliverables with respect to such resold Shares, which Shares (x) shall only be used by the Investor’s Broker-Dealer to deliver such resold Shares (as applicable) to DTC for the purpose of settling the Investor’s share delivery obligations with respect to the sale of such Shares, which may include delivery to other accounts of such Broker-Dealer and inclusion in the number of Shares delivered by that Broker-Dealer in “net settling” that Broker-Dealer’s trading of shares of the Company’s Common Stock, including its positions with the Broker-Dealers of the respective persons who purchase such Shares from the Investor, and (y) shall remain “restricted securities” as such term is defined in Rule 144(a)(3) under the Securities Act until so delivered. The Company and the Investor acknowledge that such resold Shares credited to the account with DTC of the Investor’s designated Broker-Dealer shall be eligible for transfer to the third-party purchasers of such Shares or their respective Broker-Dealers as DWAC Shares.

(e) **Suspension of Purchase Notices.** If the Investor has (i) resold Shares in a manner described under the caption “Plan of Distribution” in the Registration Statement and otherwise in compliance with Section 4.11 of this Agreement and (ii) timely delivered the Transfer Agent Deliverables with respect to such resold Shares, and such Shares have not been delivered and credited by the Transfer Agent as required by Section 3.1(d), then the Investor may in its sole discretion return such Shares to the Company and the Company shall immediately return any VWAP Purchase Amount that the Investor has paid for any Shares held by the Investor at the time of the disclosure of material, non-public information and the Company’s right to deliver a subsequent VWAP Purchase Notice or Intraday VWAP Purchase Notice to the Investor pursuant to Section 3.1(b) shall be suspended until such time as (a) such Shares have been delivered and credited by the Transfer Agent as required by Section 3.1(d) or (b) the Company has returned the VWAP Purchase Amount to the Investor for such Shares, as applicable. In the event that the Company’s right to deliver a VWAP Purchase Notice or Intraday VWAP Purchase Notice to the Investor has been suspended pursuant to this Section 3.1(e), the Investor shall provide to the Company written notice of such suspension.

Section 3.2. Payment and Settlement. The Shares purchased by the Investor in an applicable VWAP Purchase or Intraday VWAP Purchase shall be delivered to the Investor not later than 1:00 p.m., New York City time, on the Trading Day immediately following the applicable VWAP Purchase Date for such VWAP Purchase or Intraday VWAP Purchase (the “*VWAP Purchase Share Delivery Date*”). The Company acknowledges and agrees that it may not deliver any additional VWAP Purchase Notices to the Investor until all such Shares subject to any previous VWAP Purchases or Intraday VWAP Purchase – other than those to be delivered pursuant to a VWAP Purchase Notice delivered on the same Trading Day or a VWAP Purchase Notice or an Intraday VWAP Purchase Notice delivered on the immediately preceding Trading Day — have been received by the Investor or its designated Broker-Dealer in accordance with this Agreement. For each VWAP Purchase or Intraday VWAP Purchase, the Investor shall pay to the

Company an amount in cash equal to the product of (a) the total number of Shares purchased by the Investor in such VWAP Purchase or Intraday VWAP Purchase and (b) the applicable VWAP Purchase Price for such Shares (the “**VWAP Purchase Amount**”), as full payment for such Shares purchased by the Investor in such VWAP Purchase or Intraday VWAP Purchase, via wire transfer of immediately available funds, not later than 5:00 p.m., New York City time, on the Trading Day immediately following the applicable VWAP Purchase Share Delivery Date for such VWAP Purchase or Intraday VWAP Purchase, provided the Investor shall have timely received all of such Shares purchased by the Investor in such VWAP Purchase or Intraday VWAP Purchase on such VWAP Purchase Share Delivery Date in accordance with the first sentence of this Section 3.2, or, if any of such Shares are received by the Investor after 1:00 p.m., New York City time, then the Company’s receipt of such funds in its designated account may occur on the Trading Day next following the Trading Day on which the Investor shall have received all of such Shares, but not later than 5:00 p.m., New York City time, on such next Trading Day. If the Company or the Transfer Agent shall fail for any reason to (i) deliver to the Investor any Shares purchased by the Investor in a VWAP Purchase or Intraday VWAP Purchase prior to 10:30 a.m., New York City time, on the Trading Day immediately following the applicable VWAP Purchase Share Delivery Date for such VWAP Purchase or Intraday VWAP Purchase, or (ii) deliver and credit Shares to the account of the Investor’s designated Broker-Dealer on the Trading Day on which such Shares were required to have been delivered pursuant to Section 3.1(d), and in the manner in which such Shares were required to have been delivered pursuant to Section 3.1(d), and if on or after such Trading Day the Investor purchases (in an open market transaction or otherwise) shares of Common Stock (the “**Cover Shares**”) to deliver in satisfaction of any sales by the Investor of such Shares that the Investor anticipated receiving from the Company on such VWAP Purchase Share Delivery Date in respect of such VWAP Purchase or Intraday VWAP Purchase or such Shares that were required to have been delivered pursuant to Section 3.1(d) (as applicable), then the Company shall, within one (1) Trading Day after the Investor’s request, either (i) pay cash to the Investor in an amount equal to the Investor’s total purchase price (including brokerage commissions, if any) for the shares of Common Stock so purchased (the “**Cover Price**”), at which point the Company’s obligation to deliver such Shares shall terminate, or (ii) promptly honor its obligation to deliver to the Investor such Shares and pay cash to the Investor in an amount equal to the excess (if any) of the Cover Price over the total purchase price paid or, if not yet paid, required to be paid by the Investor pursuant to this Agreement for all of the Shares purchased by the Investor in such VWAP Purchase or Intraday VWAP Purchase or such Shares that were resold by the Investor in the manner described in clause (a) of the definition of DWAC Shares; provided that, to the extent the Investor borrows any shares of Common Stock through any securities lending or similar arrangement (“**Borrowed Shares**”) instead of purchasing such shares as Cover Shares, the Company shall promptly honor its obligation to deliver to the Investor such Shares and pay cash to the Investor in an amount equal to any securities lending or related fees related to the borrowings of such Borrowed Shares. The Company shall not issue any fraction of a share of Common Stock to the Investor in connection with any VWAP Purchase or Intraday VWAP Purchase effected pursuant to this Agreement. If the issuance would result in the issuance of a fraction of a share of Common Stock, the Company shall round such fraction of a share of Common Stock up or down to the nearest whole share. All payments to be made by the Investor pursuant to this Agreement shall be made by wire transfer of immediately available funds to such account as the Company may from time to time designate by written notice to the Investor in accordance with the provisions of this Agreement.

Section 3.3. Compliance with Rules of Principal Market.

(a) **Exchange Cap.** The Company shall not issue or sell any shares of Common Stock pursuant to this Agreement, and the Investor shall not purchase or acquire any shares of Common Stock pursuant to this Agreement, to the extent that after giving effect thereto, the aggregate number of Registrable Shares that would be issued pursuant to this Agreement and the transactions contemplated by the Transaction Documents would exceed 10,051,528 shares of Common Stock (representing 19.99% of the voting power or number of shares of Common Stock issued and outstanding immediately prior to the execution of this Agreement), which number of shares shall be reduced, on a share-for-share basis, by the number of shares of Common Stock issued or issuable pursuant to any transaction or series of transactions that may be aggregated with the transactions contemplated by the Transaction Documents under applicable rules of the Principal Market (such maximum number of shares, the “**Exchange Cap**”), unless the Company’s stockholders have approved the issuance of Common Stock pursuant to this Agreement in excess of the Exchange Cap in accordance with the applicable rules of the Principal Market or such approval is not required in accordance with the applicable rules of the Principal Market or otherwise. For the avoidance of doubt, the Company may, but shall be under no obligation to, request its stockholders to approve the issuance of Common Stock

pursuant to this Agreement; provided, that if such stockholder approval is not obtained, the Exchange Cap shall be applicable for all purposes of this Agreement and the transactions contemplated by the Transaction Documents at all times during the term of this Agreement (except as set forth in Section 3.3(b)). The Investor shall not have the right or obligation to purchase or acquire any shares of Common Stock pursuant to this Agreement, to the extent that after giving effect thereto, the aggregate number of shares of Common Stock held by the Investor immediately following such purchase will cause the Investor to have beneficial ownership of more than the number of shares of Common Stock representing 19.99% of the voting power or number of shares of Common Stock issued and outstanding immediately prior to such purchase, unless the Company's stockholders have approved such purchase of Common Stock in accordance with the applicable rules of the Principal Market or such approval is not required in accordance with the applicable rules of the Principal Market or otherwise.

(b) **At Market Transaction.** Notwithstanding Section 3.3(a) above, the Exchange Cap shall not be applicable for any purposes of this Agreement and the transactions contemplated by the Transaction Documents, solely to the extent that (and only for so long as) the Average Price shall equal or exceed the Base Price (it being hereby acknowledged and agreed that the Exchange Cap shall be applicable for all purposes of this Agreement and the transactions contemplated by the Transaction Documents at all other times during the term of this Agreement, unless the stockholder approval referred to in Section 3.3(a) is obtained or not required. The parties acknowledge and agree that the Minimum Price used to determine the Base Price hereunder represents the lower of (i) the Nasdaq official closing price of the Common Stock on the Trading Market (as reflected on Nasdaq.com) on the date of this Agreement and (ii) the average Nasdaq official closing price of the Common Stock on the Trading Market (as reflected on Nasdaq.com) for the five (5) consecutive Trading Days ending on the date of this Agreement.

(c) **General.** The Company shall not issue or sell any shares of Common Stock pursuant to this Agreement if such issuance or sale would or could reasonably be expected to result in (A) a violation of the Securities Act or (B) a breach of the rules of the Principal Market. The provisions of this Section 3.3 shall not be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 3.3 unless necessary to properly give effect to the limitations contained in this Section 3.3. Upon delivery of any VWAP Purchase Notice or Intraday VWAP Purchase Notice to the Investor, the Company shall also deliver a copy of such notice to the Transfer Agent for informational purposes only. For the avoidance of doubt, the Transfer Agent shall not issue any shares of Common Stock pursuant to a VWAP Purchase Notice or Intraday VWAP Purchase Notice except pursuant to a written confirmation delivered by the Investor to the Company and the Transfer Agent containing the information set forth in Section 3.1(c).

Section 3.4. Beneficial Ownership Limitation. Notwithstanding anything to the contrary contained in this Agreement, the Company shall not issue or sell, and the Investor shall not be obligated to purchase or acquire, and shall not purchase or acquire, any shares of Common Stock under this Agreement which, when aggregated with all other shares of Common Stock then beneficially owned by the Investor and its affiliates (as calculated pursuant to Section 13(d) of the Exchange Act and Rule 13d-3 promulgated thereunder), would result in the beneficial ownership by the Investor and its affiliates (on an aggregated basis) of more than 4.99% of the outstanding voting power or shares of Common Stock (the "***Beneficial Ownership Limitation***"). Upon the written or oral request of the Investor, the Company shall promptly (but not later than the next business day on which the Transfer Agent is open for business) confirm orally or in writing to the Investor the number of shares of Common Stock then outstanding. The Investor and the Company shall each cooperate in good faith in the determinations required under this Section 3.4 and the application of this Section 3.4. The Investor's written certification to the Company of the applicability of the Beneficial Ownership Limitation, and the resulting effect thereof hereunder at any time, shall be conclusive with respect to the applicability thereof and such result absent manifest error. The provisions of this Section 3.4 shall not be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 3.4 unless necessary to properly give effect to the limitations contained in this Section 3.4.

Section 3.5. Post-Effective Amendment Period. Notwithstanding anything to the contrary contained in this Agreement, the Company shall not deliver any VWAP Purchase Notices or Intraday VWAP Purchase Notices to the Investor during the Post-Effective Amendment Period and shall comply with the notification provisions regarding amendments to the Registration Statement under the Registration Rights Agreement.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES OF THE INVESTOR

The Investor hereby makes the following representations, warranties and covenants to the Company:

Section 4.1. Organization and Standing of the Investor. The Investor is a limited liability company duly formed, validly existing and in good standing under the laws of the State of New York.

Section 4.2. Authorization and Power. The Investor has the requisite limited liability company power and authority to enter into this Agreement and the Registration Rights Agreement and to purchase or acquire the Shares in accordance with the terms hereof. The execution and delivery by the Investor of this Agreement and the Registration Rights Agreement and the consummation by the Investor of the purchase or acquisition of Shares contemplated hereby have been duly authorized by all necessary action on the part of the Investor, and no further consent or authorization of the Investor or its sole member is required. Each of this Agreement and the Registration Rights Agreement has been duly executed and delivered by the Investor and constitutes a valid and binding obligation of the Investor enforceable against it in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, liquidation, conservatorship, receivership, or similar laws relating to, or affecting generally the enforcement of, creditor's rights and remedies or by other equitable principles of general application (including any limitation of equitable remedies).

Section 4.3. No Conflicts. The execution, delivery and performance by the Investor of this Agreement and the Registration Rights Agreement and the consummation by the Investor of the purchase or acquisition of Shares contemplated hereby do not and shall not (i) result in a violation of such Investor's certificate of formation, limited liability company agreement or other applicable organizational instruments, (ii) conflict with, constitute a default (or an event which, with notice or lapse of time or both, would become a default) under, or give rise to any rights of termination, amendment, acceleration or cancellation of, any material agreement, mortgage, deed of trust, indenture, note, bond, license, lease agreement, instrument or obligation to which the Investor is a party or is bound, or (iii) result in a violation of any federal, state, local or foreign statute, rule, or regulation, or any order, judgment or decree of any court or governmental agency applicable to the Investor or by which any of its properties or assets are bound or affected, except, in the case of clauses (ii) and (iii), for such conflicts, defaults, terminations, amendments, acceleration, cancellations and violations as would not, individually or in the aggregate, prohibit or otherwise interfere with, in any material respect, the ability of the Investor to enter into this Agreement and the Registration Rights Agreement and to purchase or acquire the Shares in accordance with the terms hereof. The Investor is not required under any applicable federal, state or local law, rule or regulation to obtain any consent, authorization or order of, or make any filing or registration with, any court or governmental agency in order for it to execute, deliver or perform this Agreement and the Registration Rights Agreement or to purchase or acquire the Shares in accordance with the terms hereof, other than as may be required by FINRA; provided, however, that for purposes of the representation made in this sentence, the Investor is assuming and relying upon the accuracy of the representations and warranties of the Company and the compliance by the Company with the conditions, covenants and agreements of the Company in the Transaction Documents.

Section 4.4. Accredited Investor Status. The Investor is an "accredited investor" as that term is defined in Rule 501(a) of Regulation D.

Section 4.5. Reliance on Exemptions. The Investor understands that the Shares are being offered and sold to it in reliance on specific exemptions from the registration requirements of U.S. federal and state securities laws and that the Company is relying in part upon the truth and accuracy of, and the Investor's compliance with, the representations and warranties of the Investor set forth herein in order to determine the availability of such exemptions and the eligibility of the Investor to acquire the Shares.

Section 4.6. Information. All materials relating to the business, financial condition, management and operations of the Company and materials relating to the offer and sale of the Shares which have been requested by the Investor have been furnished or otherwise made available to the Investor or its advisors, including, without limitation, the Commission Documents. The Investor understands that its investment in the Shares involves a high degree of risk. The Investor is able to bear the economic risk of an investment in the Shares and has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risks of a proposed investment in the

Shares. The Investor and its advisors have been afforded the opportunity to ask questions of and receive answers from representatives of the Company concerning the financial condition and business of the Company and other matters relating to an investment in the Shares. Neither such inquiries nor any other due diligence investigations conducted by the Investor or its advisors, if any, or its representatives shall modify, amend or affect the Investor's right to rely on the Company's representations and warranties contained in this Agreement or in any other Transaction Document or the Investor's right to rely on any other document or instrument executed and/or delivered in connection with this Agreement or the consummation of the transaction contemplated hereby (including, without limitation, the opinions of the Company's counsel delivered pursuant to this Agreement and the Registration Rights Agreement). The Investor has sought such accounting, legal and tax advice as it has considered necessary to make an informed investment decision with respect to its acquisition of the Shares. The Investor understands that it (and not the Company) shall be responsible for its own tax liabilities that may arise as a result of this investment or the purchase or acquisition of Shares contemplated by this Agreement.

Section 4.7. No Governmental Review. The Investor understands that no United States federal or state agency or any other government or governmental agency has passed on or made any recommendation or endorsement of the Shares or the fairness or suitability of the investment in the Shares nor have such authorities passed upon or endorsed the merits of the offering of the Shares.

Section 4.8. No General Solicitation. The Investor is not purchasing or acquiring the Shares as a result of any form of general solicitation or general advertising (within the meaning of Regulation D) in connection with the offer or sale of the Shares.

Section 4.9. No Prior Short Sales. At no time prior to the date of this Agreement has the Investor, engaged in or effected, in any manner whatsoever, directly or indirectly, for its own principal account, any (i) "short sale" (as such term is defined in Rule 200 of Regulation SHO of the Exchange Act) of the Common Stock or (ii) hedging transaction, which establishes a net short position with respect to the Common Stock that remains in effect as of the date of this Agreement.

Section 4.10. Statutory Underwriter Status. The Investor acknowledges that it will be disclosed as an "underwriter" and a "selling shareholder" in each Registration Statement and in any Prospectus contained therein to the extent required by applicable law and to the extent the Prospectus is related to the resale of Registrable Securities.

Section 4.11. Resales of Shares. The Investor represents, warrants and covenants that it will resell any Shares only pursuant to the Registration Statement in which the resale of such Shares is registered under the Securities Act, in a manner described under the caption "Plan of Distribution" in such Registration Statement, or in a manner in compliance with all applicable U.S. federal and state securities laws, rules and regulations.

REPRESENTATIONS AND WARRANTIES OF THE COMPANY

The Company hereby makes the following representations, warranties and covenants to the Investor:

Section 5.1. Organization, Good Standing and Power. The Company and each of its Subsidiaries are duly licensed or qualified as a foreign corporation for transaction of business and in good standing under the laws of each other jurisdiction in which their respective ownership or lease of property or the conduct of their respective businesses requires such license or qualification, and have all corporate power and authority necessary to own or hold their respective properties and to conduct their respective businesses as described in the **Commission Documents**, except where the failure to be so qualified or in good standing or have such power or authority would not, individually or in the aggregate, have a material adverse effect or would reasonably be expected to have a material adverse effect on or affecting the assets, business, operations, earnings, properties, condition (financial or otherwise), prospects, stockholders' equity or results of operations of the Company and the Subsidiaries taken as a whole, or prevent or materially interfere with consummation of the transactions contemplated by the Transaction Documents (a "*Material Adverse Effect*").

Section 5.2. Subsidiaries. Each Subsidiary has been duly formed or organized, is validly existing under the applicable laws of its jurisdiction of incorporation or organization and has the organizational power and authority to own, lease and operate its assets and properties and to conduct its business as it is now being conducted. Each of the Company's Subsidiaries is duly licensed or qualified and in good standing (or equivalent status as applicable) as a foreign corporation (or other entity, if applicable) in each jurisdiction in which the assets owned or leased by it or the character of its activities require it to be licensed or qualified or in good standing (or equivalent status as applicable), except where the failure to be so licensed or qualified, individually or in the aggregate, has not had and would not reasonably be expected to have a Material Adverse Effect. Except as set forth in the Disclosure Documents, the Company owns, directly or indirectly, all of the equity interests of the Subsidiaries free and clear of any lien, charge, security interest, encumbrance, right of first refusal or other restriction, and all the equity interests of the Subsidiaries are validly issued and are fully paid, nonassessable and free of preemptive and similar rights.

Section 5.3. Authorization, Enforcement. The Company has the requisite corporate power and authority to enter into and perform its obligations under each of the Transaction Documents and to issue the Shares in accordance with the terms hereof and thereof. The execution, delivery and performance by the Company of each of the Transaction Documents and the consummation by it of the transactions contemplated hereby and thereby have been duly and validly authorized by all necessary corporate action, and no further consent or authorization of the Company, its Board of Directors or its stockholders is required. Each of the Transaction Documents has been duly executed and delivered by the Company and constitutes a valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, liquidation, conservatorship, receivership or similar laws relating to, or affecting generally the enforcement of, creditor's rights and remedies or by other equitable principles of general application (including any limitation of equitable remedies).

Section 5.4. Capitalization. The authorized capital stock of the Company and the shares thereof issued and outstanding were as set forth in the Disclosure Documents as of the dates reflected therein. All of the outstanding shares of Common Stock have been duly authorized and validly issued and are fully paid and non-assessable. Except as set forth in the Disclosure Documents, this Agreement and the Registration Rights Agreement, there are no agreements or arrangements under which the Company is obligated to register the sale of any securities under the Securities Act. Except as set forth in the Disclosure Documents, no shares of Common Stock are entitled to preemptive rights and there are no outstanding debt securities and no contracts, commitments, understandings, or arrangements by which the Company is or may become bound to issue additional shares of the capital stock of the Company or options, warrants, scrip, rights to subscribe to, calls or commitments of any character whatsoever relating to, or securities or rights convertible into or exchangeable for, any shares of capital stock of the Company other than those issued or granted in the ordinary course of business pursuant to the Company's equity incentive and/or compensatory plans or arrangements. Except for customary transfer restrictions contained in agreements entered into by the Company to sell restricted securities or as set forth in the Disclosure Documents, the Company is not a party to, and it has no knowledge of, any agreement restricting the voting or transfer of any shares of the capital stock of the Company. Except as set forth in the Disclosure Documents, there are no securities or instruments containing anti-dilution or similar provisions that will be triggered by this Agreement or any of the other Transaction Documents or the consummation of the transactions described herein or therein. The Company has filed with the Commission true and correct copies of the Company's Certification of Incorporation as in effect on the Closing Date (the "*Charter*"), and the Company's Bylaws as in effect on the Closing Date (the "*Bylaws*").

Section 5.5. Issuance of Shares. The Shares to be issued under this Agreement have been, duly and validly authorized by all necessary corporate action on the part of the Company. The Shares, if and when issued and sold to the Investor against payment therefor in accordance with this Agreement, shall be, validly issued and outstanding, fully paid and non-assessable and free from all liens, charges, taxes, security interests, encumbrances, rights of first refusal, preemptive or similar rights and other encumbrances with respect to the issue thereof, and the Investor shall be entitled to all rights accorded to a holder of Common Stock. At or prior to Commencement, the Company shall have duly authorized and reserved a number of shares of Common Stock equal to the Exchange Cap for issuance and sale as Shares to the Investor.

Section 5.6. No Conflicts. The execution, delivery and performance by the Company of each of the Transaction Documents and the consummation by the Company of the transactions contemplated hereby and thereby do not and shall not (i) result in a violation of any provision of the Charter or Bylaws, (ii) conflict with or constitute a

default (or an event which, with notice or lapse of time or both, would become a default) under, or give rise to any rights of termination, amendment, acceleration or cancellation of, any material agreement, mortgage, deed of trust, indenture, note, bond, license, lease agreement, instrument or obligation to which the Company or any of its Subsidiaries is a party or is bound, (iii) create or impose a lien, charge or encumbrance on any property or assets of the Company or any of its Subsidiaries under any agreement or any commitment to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound or to which any of their respective properties or assets is subject, (iv) result in a violation of any federal, state, local or foreign statute, rule, regulation, order, judgment or decree applicable to the Company or any of its Subsidiaries, or by which any property or asset of the Company or any of its Subsidiaries are bound or affected (including federal and state securities laws and regulations and the rules and regulations of the Principal Market or applicable Principal Market), except, in the case of clauses (ii) and (iii), for such conflicts, defaults, terminations, amendments, acceleration, cancellations, liens, charges, encumbrances and violations as would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect. Except as specifically contemplated by this Agreement or the Registration Rights Agreement and as required under the Securities Act, any applicable state securities laws and applicable rules of the Principal Market, the Company is not required under any federal, state or local rule or regulation to obtain any consent, authorization or order of, or make any filing or registration with, any court or governmental agency (including, without limitation, the Principal Market) in order for it to execute, deliver or perform any of its obligations under the Transaction Documents, or to issue the Registrable Shares to the Investor in accordance with the terms hereof and thereof (other than such consents, authorizations, orders, filings or registrations as have been obtained or made prior to the Closing Date); provided, however, that, for purposes of the representation made in this sentence, the Company is assuming and relying upon the accuracy of the representations and warranties of the Investor in this Agreement and the compliance by it with its covenants and agreements contained in this Agreement and the Registration Rights Agreement.

Section 5.7. Disclosure Documents, Financial Statements; Internal Controls Over Financial Reporting; Accountants.

(a) The Company has timely filed (giving effect to permissible extensions in accordance with Rule 12b-25 under the Exchange Act) all filings required to be filed with or furnished to the Commission by the Company under the Securities Act or the Exchange Act, including those required to be filed with or furnished to the Commission under Section 13(a) or Section 15(d) of the Exchange Act. As of the date of this Agreement, no Subsidiary of the Company is required to file or furnish any report, schedule, registration, form, statement, information or other document with the Commission. As of its filing date, each Commission Document filed with or furnished to the Commission prior to the Closing Date complied in all material respects with the requirements of the Securities Act or the Exchange Act, as applicable, and other federal, state and local laws, rules and regulations applicable to it, and, as of its filing date (or, if amended or superseded by a filing prior to the Closing Date, on the date of such amended or superseded filing).

(b) Each Registration Statement, on the date it is filed with the Commission, on the date it is declared effective by the Commission and on each VWAP Purchase Date shall comply in all material respects with the requirements of the Securities Act (including, without limitation, Rule 415 under the Securities Act) and shall not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein not misleading, except that this representation and warranty shall not apply to statements in or omissions from such Registration Statement made in reliance upon and in conformity with information relating to the Investor furnished to the Company in writing by or on behalf of the Investor expressly for use therein. The Prospectus and each Prospectus Supplement, when taken together, on its date and on each VWAP Purchase Date shall comply in all material respects with the requirements of the Securities Act (including, without limitation, Rule 424(b) under the Securities Act) and shall not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, except that this representation and warranty shall not apply to statements in or omissions from the Prospectus or any Prospectus Supplement made in reliance upon and in conformity with information relating to the Investor furnished to the Company in writing by or on behalf of the Investor expressly for use therein. The statistical, demographic and market-related data included in the Registration Statement and Prospectus are based on or derived from sources that are reliable and accurate.

(c) Each Commission Document (other than the Initial Registration Statement or any New Registration Statement, or the Prospectus included therein or any Prospectus Supplement thereto) to be filed with or furnished to the Commission on or after the Closing Date and incorporated by reference in the Initial Registration Statement or any New Registration Statement, or the Prospectus included therein or any Prospectus Supplement thereto required to be filed pursuant to this Agreement or the Registration Rights Agreement (including, without limitation, the Current Report), when such document is filed with or furnished to the Commission and, if applicable, when such document becomes effective, as the case may be, shall comply in all material respects with the requirements of the Securities Act or the Exchange Act, as applicable, and other federal, state and local laws, rules and regulations applicable to it.

(d) The Company has delivered or made available to the Investor via EDGAR or otherwise true and complete copies of all comment letters and substantive correspondence received by the Company from the Commission relating to the Commission Documents filed with or furnished to the Commission as of the Closing Date, together with all written responses of the Company thereto in the form such responses were filed via EDGAR. There are no outstanding or unresolved comments or undertakings in such comment letters received by the Company from the Commission. The Commission has not issued any stop order or other order suspending the effectiveness of any registration statement filed by the Company under the Securities Act or the Exchange Act.

(e) The consolidated financial statements of the Company included or incorporated by reference in the Commission Documents, together with the related notes and schedules, present fairly, in all material respects, the consolidated financial position of the Company and its then consolidated subsidiaries as of the dates indicated, and the consolidated results of operations, cash flows and changes in stockholders' equity of the Company and its then consolidated subsidiaries for the periods specified and have been prepared in compliance with the published requirements of the Securities Act and the Exchange Act, as applicable, and in conformity with generally accepted accounting principles in the United States ("**GAAP**") applied on a consistent basis. The summary consolidated financial data included or incorporated by reference in the Commission Documents present fairly the information shown therein and have been compiled on a basis consistent with that of the financial statements included or incorporated by reference in the Commission Documents, as of and at the dates indicated. Any pro forma condensed combined financial statements and the pro forma combined financial statements and any other pro forma financial statements or data with respect to any entity to be acquired by the Company (each, an "**Acquired Entity**") included or incorporated by reference in the Commission Documents comply with the requirements of Regulation S-X of the Securities Act, including, without limitation, Article 11 thereof, and the assumptions used in the preparation of such pro forma financial statements and data are reasonable, the pro forma adjustments used therein are appropriate to give effect to the circumstances referred to therein and the pro forma adjustments have been properly applied to the historical amounts in the compilation of those statements and data. To the knowledge of the Company, the historical financial statements of any Acquired Entity, together with the related notes thereto, included in the Registration Statement and the Prospectus after the date hereof, will fairly present the financial position of such Acquired Entity at the respective dates indicated and the results of operations of such Acquired Entity for the respective periods indicated, in each case in accordance with GAAP consistently applied throughout such periods.

(f) The other financial and statistical data with respect to the Company and the Subsidiaries contained or incorporated by reference in the Commission Documents, if any, are accurately and fairly presented and prepared on a basis consistent with the financial statements and books and records of the Company. There are no financial statements (historical or pro forma) that are required to be included or incorporated by reference in the Disclosure Documents that are not included or incorporated by reference as required. The Company and the Subsidiaries do not have any material liabilities or obligations, direct or contingent (including any off-balance sheet obligations or any "variable interest entities" as that term is used in Accounting Standards Codification Paragraph 810-10-25-20), not described in Commission Documents which are required to be described in the Commission Documents. All disclosures contained or incorporated by reference in the Disclosure Documents, if any, regarding "non-GAAP financial measures" (as such term is defined by the rules and regulations of the Commission) comply in all material respects with Regulation G of the Exchange Act and Item 10 of Regulation S-K under the Securities Act, to the extent applicable. The interactive data in eXtensible Business Reporting Language included in the Commission Documents fairly presents the information called for in all material respects and has been prepared in accordance with the Commission's rules and guidelines applicable thereto. No forward-looking statement (within the meaning of Section 27A of the Securities Act and Section 21E of the Exchange Act) contained in the Commission Documents has been made or reaffirmed without a reasonable basis or has been disclosed other than in good faith.

(g) Elliott Davis, LLC, (“Elliott Davis”), independent public accountants for the Company, whose report on the consolidated financial statements of the Company as of and for the years ended December 31, 2021 and 2022 is included in the Company’s Annual Report on Form 10-K for the year ended December 31, 2022, are and, during the periods covered by their report, were an independent public accounting firm within the meaning of the Securities Act and the Public Company Accounting Oversight Board (United States). To the Company’s knowledge, Elliott Davis is not in violation of the auditor independence requirements of the Sarbanes-Oxley Act of 2002 (the “***Sarbanes-Oxley Act***”) with respect to the Company.

(h) There is and has been no failure on the part of the Company or any of the Company’s directors or officers, in their capacities as such, to comply in all material respects with any applicable provisions of the Sarbanes-Oxley Act and the rules and regulations promulgated thereunder. Each of the principal executive officer and the principal financial officer of the Company (or each former principal executive officer of the Company and each former principal financial officer of the Company as applicable) has made all certifications required by Sections 302 and 906 of the Sarbanes-Oxley Act with respect to all reports, schedules, forms, statements and other documents required to be filed by it or furnished by it to the Commission. For purposes of the preceding sentence, “principal executive officer” and “principal financial officer” shall have the meanings given to such terms in the Sarbanes-Oxley Act. The Company and the Subsidiaries maintain and keep accurate books and records reflecting their assets and maintain internal accounting controls in a manner designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles and including those policies and procedures that (i) pertain to the maintenance of records that in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of the Company, (ii) provide reasonable assurance that transactions are recorded as necessary to permit the preparation of the Company’s consolidated financial statements in accordance with generally accepted accounting principles, (iii) that receipts and expenditures of the Company are being made only in accordance with management’s and the Company’s directors’ authorization, and (iv) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Company’s assets that could have a material effect on its financial statements. The Company and the Subsidiaries maintain such controls and other procedures, including, without limitation, those required by Sections 302 and 906 of the Sarbanes-Oxley Act, and the applicable regulations thereunder that are designed to ensure that information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported, within the time periods specified in the Commission’s rules and forms, including, without limitation, controls and procedures designed to ensure that information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act is accumulated and communicated to the Company’s management, including its principal executive officer and principal financial officer, or persons performing similar functions, as appropriate to allow timely decisions regarding required disclosure and to ensure that material information relating to the Company or the Subsidiaries is made known to them by others within those entities, particularly during the period in which such periodic reports are being prepared.

Section 5.8. No Material Adverse Effect; Absence of Certain Changes. Since the date of the latest audited financial statements included in the Registration Statement or the Prospectus, there has not been (i) any Material Adverse Effect or the occurrence of any development that could reasonably be expected to result in a Material Adverse Effect, (ii) any transaction which is material to the Company and the Subsidiaries taken as a whole, (iii) any obligation or liability, direct or contingent (including any off-balance sheet obligations), incurred by the Company or any Subsidiary, which is material to the Company and the Subsidiaries taken as a whole, (iv) any material change in the capital stock (other than (A) the grant of additional awards under the Company’s existing equity incentive plans, (B) changes in the number of outstanding Common Stock of the Company due to the issuance of shares upon the exercise or conversion of securities exercisable for, or convertible into, Common Stock outstanding on the date hereof, (C) as described in a proxy statement filed on Schedule 14A or a Registration Statement on Form S-4, or (D) otherwise publicly announced on a Form 8-K or Company press release) or outstanding long-term indebtedness of the Company or any of its Subsidiaries or (v) any dividend or distribution of any kind declared, paid or made on the capital stock of the Company or any Subsidiary, other than in each case above in the ordinary course of business or as otherwise disclosed in the Disclosure Documents (including any document deemed incorporated by reference therein).

Section 5.9. No Material Defaults. Neither the Company nor any of its Subsidiaries has defaulted on any installment on indebtedness for borrowed money or on any rental on one or more long-term leases, which defaults, individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect. The Company has

not filed a report pursuant to Section 13(a) or 15(d) of the Exchange Act indicating that it (i) has failed to pay any dividend or sinking fund installment on preferred stock or (ii) has defaulted on any installment on indebtedness for borrowed money or on any rental on one or more long-term leases, which defaults, individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect. Neither the Company nor any of its Subsidiaries is (i) in violation of its Charter or Bylaws or other organizational documents; or (ii) in default, and no event has occurred that, with notice or lapse of time or both, would constitute such a default, in the due performance or observance of any term, covenant or condition contained in any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound or to which any of the property or assets of the Company or any of its Subsidiaries are subject, except, in the case of clause (ii) above, for any such violation or default that would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 5.10. No Preferential Rights. Except as set forth in the Disclosure Documents or provided hereunder, (i) no Person, has the right, contractual or otherwise, to cause the Company to issue or sell to such Person any Common Stock or shares of any other capital stock or other securities of the Company, (ii) no Person has any preemptive rights, resale rights, rights of first refusal, rights of co-sale, or any other rights (whether pursuant to a “poison pill” provision or otherwise) to purchase any Common Stock or shares of any other capital stock or other securities of the Company, (iii) no Person has the right to act as an underwriter, agent or financial advisor to the Company in connection with the offer and sale of the Common Stock or to receive a fee with respect thereto, and (iv) no Person has the right, contractual or otherwise, to require the Company to register under the Securities Act any Common Stock or shares of any other capital stock or other securities of the Company, or to include any such shares or other securities in the Registration Statement or the offering contemplated thereby, whether as a result of the filing or effectiveness of the Registration Statement or the sale of the Registrable Shares as contemplated thereby or otherwise.

Section 5.11. Material Contracts. Neither the Company nor any of its Subsidiaries is in material breach of or default in any respect under the terms of any Material Contract and, to the knowledge of the Company, as of the date hereof, no other party to any Material Contract is in material breach of or default under the terms of any Material Contract. Each agreement between the Company and a third party is in full force and effect and is a valid and binding obligation of the Company or the Subsidiary of the Company that is party thereto and, to the knowledge of the Company, is a valid and binding obligation of each other party thereto. The Company has not received any written notice of the intention of any other party to a Material Contract to terminate for default, convenience or otherwise, or not renew, any Material Contract.

Section 5.12. Solvency. The Company has not taken any steps, and does not currently expect to take any steps, to seek protection pursuant to Title 11 of the United States Code or any similar federal or state bankruptcy law or law for the relief of debtors, nor does the Company have any knowledge that its creditors intend to initiate involuntary bankruptcy, insolvency, reorganization or liquidation proceedings or other proceedings for relief under Title 11 of the United States Code or any other federal or state bankruptcy law or any law for the relief of debtors. The Company is financially solvent and is generally able to pay its debts as they become due. All of the Company’s outstanding secured and unsecured Indebtedness of the Company or any Subsidiary, or for which the Company or any Subsidiary has commitments through such date were as set forth in the Disclosure Documents as of the dates reflected therein. For the purposes of this Agreement, “Indebtedness” shall mean (a) any liabilities for borrowed money or amounts owed in excess of \$100,000 (other than trade accounts payable incurred in the ordinary course of business), (b) all guaranties, endorsements, indemnities and other contingent obligations in respect of Indebtedness of others in excess of \$100,000, whether or not the same are or should be reflected in the Company’s balance sheet (or the notes thereto), except guaranties by endorsement of negotiable instruments for deposit or collection or similar transactions in the ordinary course of business; and (c) the present value of any lease payments in excess of \$100,000 due under leases required to be capitalized in accordance with GAAP. There is no existing or continuing default or event of default in respect of any Indebtedness of the Company or any of its Subsidiaries.

Section 5.13. Real Property; Intellectual Property.

(a) Except as set forth in the Disclosure Documents, the Company and its Subsidiaries have good and marketable title in fee simple to all items of real property owned by them, good and valid title to all personal property described in the Commission Documents as being owned by them, in each case free and clear of all liens,

encumbrances and claims, except those matters that (i) do not materially interfere with the use made and proposed to be made of such property by the Company and any of its Subsidiaries or (ii) would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Any real or personal property described in the Commission Documents as being leased by the Company and any of its Subsidiaries is held by them under valid, existing and enforceable leases, except those matters that (A) do not materially interfere with the use made or proposed to be made of such property by the Company or any of its Subsidiaries or (B) would not be reasonably expected, individually or in the aggregate, to have a Material Adverse Effect. Each of the properties of the Company and its Subsidiaries complies with all applicable codes, laws and regulations (including, without limitation, building and zoning codes, laws and regulations and laws relating to access to such properties), except if and to the extent disclosed in the Disclosure Documents or except for such failures to comply that would not, individually or in the aggregate, reasonably be expected to interfere in any material respect with the use made and proposed to be made of such property by the Company and its Subsidiaries or otherwise have a Material Adverse Effect. None of the Company or its Subsidiaries has received from any Governmental Authorities any notice of any condemnation of, or zoning change affecting, the properties of the Company and its Subsidiaries, and the Company knows of no such condemnation or zoning change which is threatened, except for such that would not, individually or in the aggregate, reasonably be expected to interfere in any material respect with the use made and proposed to be made of such property by the Company and its Subsidiaries or otherwise have a Material Adverse Effect, individually or in the aggregate.

(b) Except as disclosed in the Disclosure Documents, the Company and its Subsidiaries own, possess, license or have other rights to use all foreign and domestic patents, patent applications, trade and service marks, trade and service mark registrations, trade names, copyrights, licenses, inventions, trade secrets, technology, Internet domain names, know-how and other intellectual property (collectively, the “*Intellectual Property*”), necessary for the conduct of their respective businesses as now conducted except to the extent that the failure to own, possess, license or otherwise hold adequate rights to use such Intellectual Property would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. None of the Company’s material trademarks, trade names, service marks, service mark registrations, service names, patents, patent rights, copyrights, inventions, licenses, approvals, government authorizations, trade secrets or other intellectual property rights have expired or terminated, or, by the terms and conditions thereof, could expire or terminate within two years from the date of this Agreement. Except as disclosed in the Disclosure Documents (i) there are no rights of third parties to any such Intellectual Property owned by the Company and its Subsidiaries; (ii) to the Company’s knowledge, there is no infringement by third parties of any such Intellectual Property; (iii) there is no pending or, to the Company’s knowledge, threatened action, suit, proceeding or claim by others challenging the Company’s and its Subsidiaries’ rights in or to any such Intellectual Property, and the Company is unaware of any facts which could form a reasonable basis for any such action, suit, proceeding or claim; (iv) there is no pending or, to the Company’s knowledge, threatened action, suit, proceeding or claim by others challenging the validity or scope of any such Intellectual Property; (v) there is no pending or, to the Company’s knowledge, threatened action, suit, proceeding or claim by others that the Company and its Subsidiaries infringe or otherwise violate any patent, trademark, copyright, trade secret or other proprietary rights of others; (vi) to the Company’s knowledge, there is no third-party U.S. patent or published U.S. patent application which contains claims for which an Interference Proceeding (as defined in 35 U.S.C. § 135) has been commenced against any patent or patent application described in the Commission Documents as being owned by or licensed to the Company; and (vii) the Company and its Subsidiaries have complied with the terms of each agreement pursuant to which Intellectual Property has been licensed to the Company or such Subsidiary, and all such agreements are in full force and effect, except, in the case of any of clauses (i)-(vii) above, for any such rights infringement by third parties or any such pending or threatened suit, action, proceeding or claim as would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect. The Company and its Subsidiaries have taken commercially reasonable efforts to maintain the confidentiality of all material trade secrets and other material confidential information of the Company and its Subsidiaries and any confidential information owned by any Person to whom the Company or any of its Subsidiaries has a written confidentiality obligation.

Section 5.14. Actions Pending. Except as disclosed in the Disclosure Documents, there are no actions, suits or proceedings by or before any Governmental Authority or legal proceedings pending, nor, to the Company’s knowledge, any audits or investigations by or before any Governmental Authority to which the Company or a Subsidiary is a party or to which any property of the Company or any of its Subsidiaries is the subject that, individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect and, to the Company’s knowledge, no such legal proceedings, actions, suits, proceedings, audits or investigations are threatened or contemplated by any Governmental Authority or threatened by others; and (i) there are no current or pending audits

or investigations, actions, suits or proceedings by or before any Governmental Authority that are required under the Securities Act to be described in the Disclosure Documents that are not so described; and (ii) there are no contracts or other documents that are required under the Securities Act to be filed as exhibits to the Disclosure Documents that are not so filed.

Section 5.15. Compliance with Laws. The Company and each of its Subsidiaries are in compliance with all applicable laws, regulations and statutes (including all Environmental Laws and regulations) in the jurisdictions in which it carries on business (“*Applicable Laws*”), except where failure to be so in compliance, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect; neither the Company or any of its Subsidiaries has received a notice of non-compliance, nor knows of, nor has reasonable grounds to know of, any facts that could give rise to a notice of non-compliance with any such laws, regulations and statutes, and is not aware of any pending change or contemplated change to any applicable law or regulation or governmental position; in each case that would reasonably be expected to materially adversely affect the business of the Company or the business or legal environment under which the Company or any of its Subsidiaries operates. Each of the Company and its Subsidiaries: (A) has not received any notice of non-compliance, adverse finding, warning letter, untitled letter or other correspondence or notice from any Governmental Authority alleging or asserting noncompliance with any Applicable Laws or any licenses, certificates, approvals, clearances, authorizations, permits and supplements or amendments thereto required by any such Applicable Laws (“*Authorizations*”); (B) does not know of, nor has any reasonable grounds to suspect, any facts that could give rise to a notice of non-compliance with any such Applicable Laws; (C) possesses all material Authorizations and such Authorizations are valid and in full force and effect and are not in material violation of any term of any such Authorizations; (D) has not received notice of any claim, action, suit, proceeding, hearing, enforcement, investigation, arbitration or other action from any Governmental Authority or third party alleging that any product operation or activity is in violation of any Applicable Laws or Authorizations and has no knowledge that any such Governmental Authority or third party is considering any such claim, litigation, arbitration, action, suit, investigation or proceeding; (E) has not received notice that any Governmental Authority has taken, is taking or intends to take action to limit, suspend, modify or revoke any Authorizations and has no knowledge that any such Governmental Authority is considering such action; (F) has filed, obtained, maintained or submitted all material reports, documents, forms, notices, applications, records, claims, submissions and supplements or amendments as required by any Applicable Laws or Authorizations and that all such reports, documents, forms, notices, applications, records, claims, submissions and supplements or amendments were complete and correct on the date filed (or were corrected or supplemented by a subsequent submission); and (G) has not, either voluntarily or involuntarily, initiated, conducted, or issued or caused to be initiated, conducted or issued, any recall, market withdrawal or replacement, safety alert, post sale warning, or other notice or action relating to the alleged lack of safety or efficacy of any product or any alleged product defect or violation and, to the Company’s knowledge, no third party has initiated, conducted or intends to initiate any such notice or action, except in the case of each of (A) through (G) above, as would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect.

Section 5.16. Certain Fees. Neither the Company nor any of its Subsidiaries has incurred any liability for any finder’s fees, brokerage commissions or similar payments in connection with the transactions herein contemplated.

Section 5.17. Disclosure. The Company confirms that neither it nor any other Person acting on its behalf has provided the Investor or any of its agents, advisors or counsel with any information that constitutes or would reasonably be expected to constitute material, nonpublic information concerning the Company or any of its Subsidiaries, other than the existence of the transactions contemplated by the Transaction Documents. The Company understands and confirms that the Investor will rely on the foregoing representations in effecting resales of Registrable Shares under the Registration Statement.

Section 5.18. Broker/Dealer Relationships. Neither the Company nor any of the Subsidiaries (i) is required to register as a “broker” or “dealer” in accordance with the provisions of the Exchange Act or (ii) directly or indirectly through one or more intermediaries, controls or is a “person associated with a member” or “associated person of a member” (within the meaning set forth in the FINRA Manual).

Section 5.19. Accounting Controls and Disclosure Controls. The Company makes and keeps accurate books and records. The Company and each of its Subsidiaries maintain systems of internal accounting controls sufficient to provide reasonable assurance that (i) transactions are executed in accordance with management’s general

or specific authorizations; (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with generally accepted accounting principles and to maintain asset accountability; (iii) access to assets is permitted only in accordance with management's general or specific authorization; and (iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences. The Company's internal control over financial reporting is effective and the Company is not aware of any material weaknesses in its internal control over financial reporting (other than as set forth in the Disclosure Documents). The Company is not aware of any fraud, whether or not material, that involves management or other employees of the Company. Since the date of the latest audited financial statements of the Company included in the Disclosure Documents, there has been no change in the Company's internal control over financial reporting that has materially affected, or is reasonably likely to materially affect, the Company's internal control over financial reporting (other than as set forth in the Disclosure Documents). The Company has established disclosure controls and procedures (as defined in Exchange Act Rules 13a-15 and 15d-15) for the Company and designed such disclosure controls and procedures to ensure that material information relating to the Company and each of its Subsidiaries is made known to the certifying officers by others within those entities, particularly during the period in which the Company's Annual Report on Form 10-K or Quarterly Report on Form 10-Q, as the case may be, is being prepared. The Company's certifying officers have evaluated the effectiveness of the Company's disclosure controls and procedures as of a date within 90 days prior to the filing date of the Form 10-K for the fiscal year most recently ended (such date, the "*Evaluation Date*"). The Company presented in its Form 10-K for the fiscal year most recently ended the conclusions of the certifying officers about the effectiveness of the disclosure controls and procedures based on their evaluations as of the Evaluation Date and the disclosure controls and procedures are effective. Since the Evaluation Date, there have been no significant changes in the Company's internal controls (as such term is defined in Item 307(b) of Regulation S-K under the Securities Act) or, to the Company's knowledge, in other factors that could significantly affect the Company's internal controls. The Company's auditors and the Audit Committee of the board of directors have been advised of: (i) any significant deficiencies in the design or operation of internal controls which could adversely affect the Company's ability to record, process, summarize and report financial data and (ii) any fraud, whether or not material, that involves management or other employees who have a role in the Company's internal controls.

Section 5.21. Environmental Compliance. Except as set forth in the Disclosure Documents, the Company and its Subsidiaries (i) are in compliance with any and all applicable federal, state, local and foreign laws, rules, regulations, decisions and orders relating to the protection of human health and safety, the environment or hazardous or toxic substances or wastes, pollutants or contaminants (collectively, "***Environmental Laws***"); (ii) have received and are in compliance with all permits, licenses or other approvals required of them under applicable Environmental Laws to conduct their respective businesses; and (iii) have not received any notice or communication from any Governmental Authority or any other Person regarding any actual, alleged or potential liability for the investigation or remediation of any disposal or release of hazardous or toxic substances or wastes, pollutants or contaminants, except, in the case of any of clauses (i), (ii) or (iii) above, for any such failure to comply, failure to receive required permits, licenses, other approvals or liability as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 5.22. No Improper Practices. (i) Neither the Company nor the Subsidiaries, nor any director, officer, or employee of the Company or any Subsidiary nor, to the Company's knowledge, any agent, affiliate or other person acting on behalf of the Company or any Subsidiary has, in the past five years, made any unlawful contributions to any candidate for any political office (or failed fully to disclose any contribution in violation of applicable law) or made any contribution or other payment to any official of, or candidate for, any federal, state, municipal, or foreign office or other person charged with similar public or quasi-public duty in violation of any applicable law or of the character required to be disclosed in the Disclosure Documents; (ii) no relationship, direct or indirect, exists between or among the Company or any Subsidiary or any affiliate of any of them, on the one hand, and the directors, officers and stockholders of the Company or any Subsidiary, on the other hand, that is required by the Securities Act to be described in the Disclosure Documents that is not so described; (iii) no relationship, direct or indirect, exists between or among the Company or the Subsidiaries or any affiliate of them, on the one hand, and the directors, officers, or stockholders of the Company or any Subsidiary, on the other hand, that is required by the rules of FINRA to be described in the Disclosure Documents that is not so described; (iv) except as described in the Disclosure Documents, there are no material outstanding loans or advances or material guarantees of indebtedness by the Company or any Subsidiary to or for the benefit of any of their respective officers or directors or any of the members of the families of any of them; and (v) the Company has not offered, or caused any placement agent to offer, Common Stock to any person with the intent to influence unlawfully (A) a customer or supplier of the Company or the Subsidiaries to alter the customer's or supplier's level or type of business with the Company or any Subsidiary or (B) a trade journalist or publication to write or publish favorable information about the Company or the Subsidiaries or any of their respective products or services, and, (vi) neither the Company nor the Subsidiaries nor any director, officer or employee of the Company or any Subsidiary nor, to the Company's knowledge, any agent, affiliate or other person acting on behalf of the Company or any Subsidiary has (A) violated or is in violation of any applicable provision of the U.S. Foreign Corrupt Practices Act of 1977, as amended, or any other applicable anti-bribery or anti-corruption law (collectively, "*Anti-Corruption Laws*"), (B) promised, offered, provided, attempted to provide or authorized the provision of anything of value, directly or indirectly, to any person for the purpose of obtaining or retaining business, influencing any act or decision of the recipient, or securing any improper advantage; or (C) made any payment of funds of the Company or any Subsidiary or received or retained any funds in violation of any Anti-Corruption Laws.

Section 5.23. AML Compliance. The operations of the Company and its Subsidiaries are and have been conducted at all times in compliance with applicable financial record keeping and reporting requirements of the Currency and Foreign Transactions Reporting Act of 1970, as amended, the money laundering statutes of all jurisdictions to which the Company or its Subsidiaries are subject, the rules and regulations thereunder and any related or similar rules, regulations or guidelines, issued, administered or enforced by any Governmental Authority (collectively, the "*Money Laundering Laws*"); and no action, suit or proceeding by or before any Governmental Authority involving the Company or any of its Subsidiaries with respect to the Money Laundering Laws is pending or, to the knowledge of the Company, threatened.

Section 5.24. OFAC. Neither the Company nor any of its Subsidiaries (collectively, the "*Entity*"), nor any director, officer, any employee, agent, affiliate or representative of the Company or any director or officer of any Subsidiary, is a Person that is, or is owned or controlled by a Person that is (i) the subject of any sanctions administered or enforced by the ("*OFAC*"), the United Nations Security Council, the European Union, Her Majesty's Treasury, or other relevant sanctions authorities, including, without limitation, designation on OFAC's Specially Designated Nationals and Blocked Persons List or OFAC's Foreign Sanctions Evaders List or other relevant sanctions authority (collectively, "*Sanctions*"), nor (ii) located, organized or resident in a country or territory that is the subject of Sanctions that broadly prohibit dealings with that country or territory (including, without limitation, the Crimea region of the Ukraine, Russia, Cuba, Iran, North Korea, Sudan and Syria (the "*Sanctioned Countries*")). The Entity will not, directly or indirectly, use the proceeds from the sale of Shares, or lend, contribute or otherwise make available such proceeds to any subsidiary, joint venture partner or other Person (a) to fund or facilitate any activities or business of or with any Person or in any country or territory that, at the time of such funding or facilitation, is the subject of Sanctions or is a Sanctioned Country, or (b) in any other manner that will result in a violation of Sanctions by any Person (including any Person participating in the transactions contemplated by the Transaction Documents, whether as underwriter, advisor, investor or otherwise). The Entity has not engaged in, and is now not engaged in, any dealings or transactions with any Person, or in any country or territory, that at the time of the dealing or transaction is or was the subject of Sanctions or was a Sanctioned Country.

Section 5.25. Off-Balance Sheet Arrangements. There are no transactions, arrangements and other relationships between and/or among the Company, and/or any of its affiliates and any unconsolidated entity, including, but not limited to, any structural finance, special purpose or limited purpose entity (each, an “**Off-Balance Sheet Transaction**”) that could reasonably be expected to affect materially the Company’s liquidity or the availability of or requirements for its capital resources, including those Off-Balance Sheet Transactions described in the Commission’s Statement about Management’s Discussion and Analysis of Financial Conditions and Results of Operations (Release Nos. 33-8056; 34-45321; FR-61), required to be described in the Disclosure Documents which have not been described as required.

Section 5.26. Transactions with Affiliates. No relationship, direct or indirect, exists between or among the Company or any of its Subsidiaries on the one hand, and the directors, officers, trustees, managers, stockholders, partners, customers or suppliers of the Company or any of the Subsidiaries on the other hand, which would be required by the Securities Act or the Exchange Act to be disclosed in the Disclosure Documents, which is not so disclosed.

Section 5.27. Labor Disputes. None of the Company nor any of its Subsidiaries is bound by or subject to any collective bargaining or similar agreement with any labor union, and, to the knowledge of the Company, none of the employees, representatives or agents of the Company or any of its Subsidiaries is represented by any labor union. The Company and its Subsidiaries have complied with all employment laws applicable to employees of the Company and its Subsidiaries, except where non-compliance with any such employment laws would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. No labor disturbance by or dispute with employees of the Company or any of its Subsidiaries exists or, to the knowledge of the Company, is threatened which, individually or in the aggregate, would reasonably be expected to result in a Material Adverse Effect.

The Company is not, and as a result of the consummation of the transactions contemplated by the Transaction Documents and the application of the proceeds from the sale of the Shares as will be set forth in the Prospectus included in any Registration Statement (and any post-effective amendment thereto) and any Prospectus Supplement thereto filed pursuant to the Registration Rights Agreement the Company will not be an “investment company” within the meaning of the Investment Company Act of 1940, as amended.

Section 5.30. Margin Rules. Neither the issuance, sale and delivery of the Shares nor the application of the proceeds thereof by the Company as described in the Disclosure Documents will violate Regulation T, U or X of the Board of Governors of the Federal Reserve System or any other regulation of such Board of Governors.

Section 5.31. Taxes. The Company and each of its Subsidiaries have filed all federal, state, local and foreign tax returns which have been required to be filed and paid all taxes shown thereon through the date hereof, to the extent that such taxes have become due and are not being contested in good faith, except where the failure to so file or pay would not, individually or in the aggregate, have a Material Adverse Effect. Except as otherwise disclosed in or contemplated by the Disclosure Documents, no tax deficiency has been determined adversely to the Company or any of its Subsidiaries which has had, or would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. The Company has no knowledge of any federal, state or other governmental tax deficiency, penalty or assessment which has been or might be asserted or threatened against it which would, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 5.32. ERISA. To the knowledge of the Company, each material employee benefit plan, within the meaning of Section 3(3) of the Employee Retirement Income Security Act of 1974, as amended (“**ERISA**”), that is maintained, administered or contributed to by the Company or any of its affiliates for employees or former employees of the Company and any of its Subsidiaries has been maintained in material compliance with its terms and the requirements of any applicable statutes, orders, rules and regulations, including but not limited to ERISA and the Internal Revenue Code of 1986, as amended (the “**Code**”); no prohibited transaction, within the meaning of Section 406 of ERISA or Section 4975 of the Code, has occurred which would result in a material liability to the Company with respect to any such plan excluding transactions effected pursuant to a statutory or administrative exemption; and for each such plan that is subject to the funding rules of Section 412 of the Code or Section 302 of ERISA, except as

would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, the minimum funding standards in Section 412 of the Code have been satisfied and the fair market value of the assets of each such plan (excluding for these purposes accrued but unpaid contributions) exceeds the present value of all benefits accrued under such plan determined using reasonable actuarial assumptions; no litigation or governmental administrative proceeding, audit or other proceeding (other than those relating to routine claims for benefits) is pending or, to the knowledge of the Company, threatened with respect to any material employee benefit plan or any fiduciary or service provider thereof and, to the knowledge of the Company, there is no reasonable basis for any such litigation or proceeding.

Section 5.33. Stock Transfer Taxes. All stock transfer or other taxes (other than income taxes) which are required to be paid in connection with the sale and transfer of the Registrable Shares to be sold hereunder will be, or will have been, fully paid or provided for by the Company and all laws imposing such taxes will be or will have been fully complied with.

Subject to, and in reliance on, the representations, warranties and covenants made herein by the Investor, the offer and sale of the Registrable Shares in accordance with the terms and conditions of this Agreement is exempt from the registration requirements of the Securities Act pursuant to Section 4(a)(2) and/or Rule 506(b) of Regulation D.

Section 5.36. No General Solicitation or Advertising. Neither the Company, nor any of its Subsidiaries or Affiliates, nor any Person acting on its or their behalf, has engaged in any form of general solicitation or general advertising (within the meaning of Regulation D) in connection with the offer or sale of the Registrable Shares.

Section 5.37. No Integrated Offering. None of the Company, its Subsidiaries or any of their Affiliates, nor any Person acting on their behalf has, directly or indirectly, made any offers or sales of any security or solicited any offers to buy any security, under circumstances that would require registration of the issuance of any of the Registrable Shares under the Securities Act, whether through integration with prior offerings or otherwise, or cause this offering of the Shares to require approval of stockholders of the Company under any applicable stockholder approval provisions, including, without limitation, under the rules and regulations of the Principal Market. None of the Company, its Subsidiaries, their Affiliates nor any Person acting on their behalf will take any action or steps referred to in the preceding sentence that would require registration of the issuance of any of the Registrable Shares under the Securities Act or cause the offering of any of the Shares to be integrated with other offerings.

Section 5.38. Dilutive Effect. The Company is aware and acknowledges that issuance of the Registrable Shares could cause dilution to existing stockholders and could significantly increase the outstanding number of shares of Common Stock. The Company further acknowledges that its obligation to issue the Shares to be purchased by the Investor pursuant to a VWAP Purchase or Intraday VWAP Purchase is, upon the Company's delivery to the Investor of a VWAP Purchase Notice for a VWAP Purchase or an Intraday VWAP Purchase Notice for an Intraday VWAP Purchase in accordance with this Agreement, absolute and unconditional following the delivery of such VWAP Purchase Notice or Intraday VWAP Purchase Notice to the Investor, regardless of the dilutive effect that such issuance may have on the ownership interests of other stockholders of the Company.

Section 5.39. Manipulation of Price. Neither the Company nor any of its officers, directors or its Affiliates has, and, to the knowledge of the Company, no Person acting on their behalf has, (i) taken, directly or indirectly, any action designed or intended to cause or to result in the stabilization or manipulation of the price of any security of the Company, or which caused or resulted in, or which would in the future reasonably be expected to cause or result in, the stabilization or manipulation of the price of any security of the Company, in each case to facilitate the sale or resale of any of the Registrable Shares, (ii) sold, bid for, purchased, or paid any compensation for soliciting purchases of, any of the Registrable Shares, or (iii) paid or agreed to pay to any Person any compensation for soliciting another to purchase any other securities of the Company. Neither the Company nor any of its officers, directors or its Affiliates will during the term of this Agreement, and, to the knowledge of the Company, no Person acting on their behalf will during the term of this Agreement, take any of the actions referred to in the immediately preceding sentence.

Section 5.40. Listing and Maintenance Requirements; DTC Eligibility. The Common Stock is registered pursuant to Section 12(b) of the Exchange Act, and the Company has taken no action designed to, or which to its knowledge is likely to have the effect of, terminating the registration of the Common Stock under the Exchange Act, nor has the Company received any notification that the Commission is contemplating terminating such registration. The Company has not received any notice from the Principal Market to the effect that the Company is not in compliance with the listing or maintenance requirements of the Principal Market or any notice from the Principal Market to the effect that the Company is not in compliance with the listing or maintenance requirements of the Principal Market that the Company has not appealed or responded to within the requisite time period.

Section 5.41. Application of Takeover Protections. The Company and its Board of Directors have taken all necessary action, if any, in order to render inapplicable any control share acquisition, business combination, poison pill (including any distribution under a rights agreement) or other similar anti-takeover provision under the Company's Charter or the laws of its state of incorporation that is or could become applicable to the Investor as a result of the Investor and the Company fulfilling their respective obligations or exercising their respective rights under the Transaction Documents (as applicable), including, without limitation, as a result of the Company's issuance of the Registrable Shares and the Investor's ownership of the Registrable Shares.

Section 5.42. Information Technology; Compliance with Data Privacy Laws.

(a) The Company and its Subsidiaries' information technology assets and equipment, computers, systems, networks, hardware, software, websites, applications, and databases (collectively, "**IT Systems**") are adequate for, and operate and perform as required in connection with the operation of the business of the Company as currently conducted, and, to the Company's knowledge, are free and clear of all bugs, errors, viruses, Trojan horses, trap doors, time bombs, and any other malware.

(b) Except as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, the Company and its Subsidiaries have implemented and maintain commercially reasonable physical, technical and administrative controls, policies, procedures, and safeguards designed to maintain and protect their confidential information and the integrity, continuous operation, redundancy and security of their IT Systems and data, including all "**Personal Data**" (defined below) and all sensitive, confidential or regulated data ("**Confidential Data**") used in connection with their businesses. "**Personal Data**" means (A) a natural person's name, street address, telephone number, e-mail address, photograph, social security number or tax identification number, driver's license number, passport number, credit card number, bank information, or customer or account number; (B) any information which would qualify as "personally identifying information" under the Federal Trade Commission Act, as amended; (C) "personal data" as defined by the European Union General Data Protection Regulation ("**GDPR**") (EU 2016/679); (D) any information which would qualify as "protected health information" under the Health Insurance Portability and Accountability Act of 1996, as amended by the Health Information Technology for Economic and Clinical Health Act (collectively, "**HIPAA**"); (E) any "personal information" as defined by the California Consumer Privacy Act ("**CCPA**"); and (F) any other piece of information that allows the identification of such natural person, or his or her family, or permits the collection or analysis of any data related to an identified person's health or sexual orientation. Except as would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect: (x) to the knowledge of the Company, there have been no breaches, violations, outages or unauthorized uses of or accesses to their IT Systems or Personal Data maintained or processed by the Company, except for those that have been remedied without material cost or liability or the duty to notify any other person, nor any incidents under internal review or investigations relating to the same and (y) the Company and its Subsidiaries are presently in compliance with all applicable laws or statutes and all judgments, orders, rules and regulations of any court or arbitrator or governmental or regulatory authority, external policies and contractual obligations relating to the privacy and security of their IT Systems, Confidential Data, and Personal Data (collectively, "**Privacy Laws**") and to the protection of such IT Systems, Confidential Data, and Personal Data from unauthorized use, access, misappropriation or modification.

(c) Except as would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect: (i) to the extent required by applicable Privacy Laws, the Company has in place commercially reasonable policies and procedures relating to data privacy and security and the collection, storage, use, processing,

disclosure, handling, and analysis of Personal Data and Confidential Data (the “**Policies**”); (ii) the Company has made disclosures to users or customers to the extent required by applicable Privacy Laws, and none of such disclosures made or contained in any Policy have been inaccurate or in violation of any applicable Privacy Laws; (iii) neither the Company nor any Subsidiary has received written notice of any actual or potential liability under or relating to, or actual or potential violation of, any applicable Privacy Laws, and there is no action, suit or proceeding by or before any court or governmental agency, authority or body pending or, to the Company’s knowledge, threatened alleging non-compliance with any applicable Privacy Laws.

Section 5.43. Acknowledgement Regarding Investor’s Acquisition of Shares; Affiliate Relationships. The Company acknowledges and agrees, to the fullest extent permitted by law, that the Investor is acting solely in the capacity of an arm’s-length purchaser with respect to this Agreement and the transactions contemplated by the Transaction Documents. The Company further acknowledges that the Investor will be deemed to be a statutory “underwriter” with respect to the transactions contemplated by the Transaction Documents in accordance with interpretive positions of the Commission and the Investor is a “trader” that is registered with the Commission as a broker-dealer under Section 15(a) of the Securities Exchange Act of 1934. The Company further acknowledges that the Investor and its representatives are not acting as a financial advisor or fiduciary of the Company (or in any similar capacity, except as noted above) with respect to this Agreement and the transactions contemplated by the Transaction Documents, and any advice given by the Investor or any of its representatives or agents in connection therewith is merely incidental to the Investor’s acquisition of the Shares. The Company further represents to the Investor that the Company’s decision to enter into the Transaction Documents to which it is a party has been based solely on the independent evaluation of the transactions contemplated thereby by the Company and its representatives. The Company acknowledges and agrees that the Investor has not made and does not make any representations or warranties with respect to the transactions contemplated by the Transaction Documents other than those specifically set forth in Article IV. Affiliates of the Investor engage in a wide range of activities for their own accounts and the accounts of customers, including corporate finance, mergers and acquisitions, merchant banking, equity and fixed income sales, trading and research, derivatives, foreign exchange, futures, asset management, custody, clearance and securities lending. In the course of its business, affiliates of Investor may, directly or indirectly, hold long or short positions, trade and otherwise conduct such activities in or with respect to debt or equity securities and/or bank debt of, and/or derivative products relating to, the Company. Any such position will be created, and maintained, independently of the position Investor takes in the Company, and Investor. In addition, at any given time affiliates of Investor may have been and/or be engaged by one or more entities that may be competitors with, or otherwise adverse to, the Company in matters unrelated to the transactions contemplated by the Transaction Documents, and affiliates of Investor may have or may in the future provide investment banking or other services to the Company in matters unrelated to the transactions contemplated by the Transaction Documents. Activities of any of Investor’s affiliates performed on behalf of the Company may give rise to actual or apparent conflicts of interest given Investor’s potentially competing interests with those of the Company. The Company expressly acknowledges the benefits it receives from Investor’s participation in the transactions contemplated by the Transaction Documents, on the one hand, and Investor’s affiliates’ activities, if any, on behalf of the Company unrelated to the transactions contemplated by the Transaction Documents, on the other hand, and understands the conflict or potential conflict of interest that may arise in this regard, and has consulted with such independent advisors as it deems appropriate in order to understand and assess the risks associated with these potential conflicts of interest. Consistent with applicable legal and regulatory requirements, applicable affiliates of the Investor have adopted policies and procedures to establish and maintain the independence of their research departments and personnel from their investment banking groups and Investor. As a result, research analysts employed by affiliates of the Investor may hold views, make statements or investment recommendations and/or publish research reports with respect to the Company or the transactions contemplated by the Transaction Documents that differ from the views of Investor.

Section 5.44. Regulatory Filings. Except as would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect and except as disclosed in the Disclosure Documents, neither the Company nor any of its Subsidiaries has failed to file with the applicable Governmental Authorities (including, without limitation, the FDA, or any foreign, federal, state, provincial or local Governmental Authority performing functions similar to those performed by the FDA), any required filing, declaration, listing, registration, report or submission, except for such failures that, as would not reasonably be expected, individually or in the aggregate, to have a Material

Adverse Effect; except as disclosed in the Disclosure Documents, all such filings, declarations, listings, registrations, reports or submissions were in compliance with applicable laws when filed and no deficiencies have been asserted by any applicable regulatory authority with respect to any such filings, declarations, listings, registrations, reports or submissions that have not yet been remedied, except for any deficiencies that, as would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect. The Company has operated and currently is, in all material respects, in compliance with the United States Federal Food, Drug, and Cosmetic Act, all applicable rules and regulations of the FDA and other federal, state, local and foreign Governmental Authority exercising comparable authority. The Company has no knowledge of any studies, tests or trials not described in the Disclosure Documents the results of which reasonably call into question in any material respect the results of the studies, tests and trials described in the Disclosure Documents.

Section 5.45. Government Contracts. Neither the Company nor any of its Subsidiaries is party to: (i) any Contract, including an individual task order, delivery order, purchase order, basic ordering agreement, letter Contract or blanket purchase agreement with any Governmental Authority, or (ii) any subcontract or other Contract by which the Company or one of its Subsidiaries has agreed to provide goods or services through a prime contractor directly to a Governmental Authority that is expressly identified in such subcontract or other Contract as the ultimate consumer of such goods or services (such Contracts, “**Government Contracts**”). Neither the Company nor any of its Subsidiaries has provided any offer, bid, quotation or proposal to sell products made or services provided by the Company or any of its Subsidiaries that, if accepted or awarded, would lead to any Contract or subcontract of the type described by the foregoing sentence.

Section 5.46. Clinical Studies. The preclinical studies and tests and clinical trials described in the Disclosure Documents were, and, if still pending, are, being conducted in all material respects in accordance with the experimental protocols, procedures and controls pursuant to, where applicable, accepted professional and scientific standards for products or product candidates comparable to those being developed by the Company; the descriptions of such studies, tests and trials, and the results thereof, contained in the Disclosure Documents are accurate and complete in all material respects; the Company is not aware of any tests, studies or trials not described in the Disclosure Documents, the results of which reasonably call into question the results of the tests, studies and trials described in the Disclosure Documents and/or or that suggest a reasonable possibility of any adverse side effects not described in the Disclosure Documents; and, except as described in the Disclosure Documents, the Company has not received any written notice or correspondence from the FDA or any foreign, state or local Governmental Authority exercising comparable authority or any institutional review board or comparable authority requiring the termination, suspension, clinical hold or material modification of any tests, studies or trials described in the Disclosure Documents.

Section 5.47. Emerging Growth Company Status. From the time of the initial filing of the Company’s first registration statement with the Commission through the date hereof, the Company has been and is an “emerging growth company,” as defined in Section 2(a) of the Securities Act.

Section 5.48. Certificates. Any certificate signed by any officer, including the Chief Executive Officer, Chief Financial Officer, General Counsel or representative of the Company or any of its subsidiaries and delivered to the Investor or counsel for the Investor in connection with the transactions contemplated by the Transaction Documents shall be deemed a representation and warranty by the Company to the Investor as to the matters covered thereby on the date of such certificate.

ARTICLE VI

ADDITIONAL COVENANTS

The Company covenants with the Investor, and the Investor covenants with the Company, as follows, which covenants of one party are for the benefit of the other party, during the Restricted Period (and with respect to the Company, for the period following the termination of this Agreement specified in Section 8.3 pursuant to and in accordance with Section 8.3):

Section 6.1. Securities Compliance. The Company shall notify the Commission and the Principal Market, if and as applicable, in accordance with their respective rules and regulations, of the transactions contemplated by the Transaction Documents, and shall take all necessary action, undertake all proceedings and obtain all registrations, permits, consents and approvals for the legal and valid issuance of the Shares to the Investor in accordance with the terms of the Transaction Documents, as applicable.

Section 6.2. Reservation of Common Stock. The Company has available and the Company shall reserve and keep available at all times, free of preemptive and other similar rights of stockholders, the requisite aggregate number of authorized but unissued shares of Common Stock to enable the Company to timely effect the issuance, sale and delivery of all Shares to be issued, sold and delivered in respect of each VWAP Purchase and Intraday VWAP Purchase effected under this Agreement. Without limiting the generality of the foregoing, as of the Commencement Date, the Company shall have reserved, out of its authorized and unissued Common Stock, a number of shares of Common Stock equal to the Exchange Cap solely for the purpose of effecting VWAP Purchases and Intraday VWAP Purchases under this Agreement. The number of shares of Common Stock so reserved for the purpose of effecting VWAP Purchases and Intraday VWAP Purchases under this Agreement may be increased from time to time by the Company from and after the Commencement Date, and such number of reserved shares may be reduced from and after the Commencement Date only by the number of Shares actually issued, sold and delivered to the Investor pursuant to any VWAP Purchase or Intraday VWAP Purchase effected from and after the Commencement Date pursuant to this Agreement.

Section 6.3. Registration and Listing. The Company shall use its commercially reasonable efforts to cause the Common Stock to continue to be registered as a class of securities under Sections 12(b) of the Exchange Act, and to comply with its reporting and filing obligations under the Exchange Act, and shall not take any action or file any document (whether or not permitted by the Securities Act or the Exchange Act) to terminate or suspend such registration or to terminate or suspend its reporting and filing obligations under the Exchange Act or Securities Act, except as permitted herein. The Company shall use its commercially reasonable efforts to continue the listing and trading of its Common Stock and the listing of the Shares to be issued, sold and delivered in respect of each VWAP Purchase and Intraday VWAP Purchase effected under this Agreement hereunder on the Principal Market and to comply with the Company's reporting, filing and other obligations under the rules and regulations of the Principal Market. The Company shall not take any action which could be reasonably expected to result in the delisting or suspension of the Common Stock on the Principal Market. If the Company receives any final and non-appealable notice that the listing or quotation of the Common Stock on the Principal Market shall be terminated on a date certain or any notice that the listing or quotation of the Common Stock on the Principal Market shall be terminated on a date certain that the Company has not appealed or responded to within the requisite time period, the Company shall promptly (and in any case within 24 hours) notify the Investor of such fact in writing and shall use its commercially reasonable efforts to cause the Common Stock to be listed or quoted on another Principal Market.

Section 6.4. Compliance with Laws.

(a) The Company shall comply with applicable provisions of the Securities Act and the Exchange Act, including Regulation M thereunder, applicable state securities or "Blue Sky" laws, and applicable listing rules of the Principal Market, in connection with the transactions contemplated by the Transaction Documents, except as would not, individually or in the aggregate, prohibit or otherwise interfere with the ability of the Company to enter into and perform its obligations under this Agreement in any material respect or the ability of the Investor to sell or resell shares of Common Stock under the Registration Statement in any material respect.

(b) The Investor shall comply with all laws, rules, regulations and orders applicable to the performance by it of its obligations under this Agreement and its investment in the Shares, except as would not, individually or in the aggregate, prohibit or otherwise interfere with the ability of the Investor to enter into this Agreement and to purchase or acquire the Shares in accordance with the terms hereof in any material respect. Without limiting the foregoing, the Investor shall comply with all applicable provisions of the Securities Act and the Exchange Act, including Regulation M thereunder, and all applicable state securities or "Blue Sky" laws, in connection with the transactions contemplated by the Transaction Documents.

Section 6.5. Keeping of Records and Books of Account; Due Diligence.

(a) The Investor and the Company shall each maintain records showing the remaining Total Commitment, the remaining Aggregate Limit and the dates and VWAP Purchase Share Amount or Intraday VWAP Purchase Share Amount for each VWAP Purchase and Intraday VWAP Purchase, as applicable.

(b) Subject to the requirements of Section 6.12, from time to time from and after the Closing Date, the Company shall make available for inspection and review by the Investor during normal business hours and after reasonable notice, customary documentation reasonably requested by the Investor and/or its appointed counsel or advisors to conduct due diligence; provided, however, that after the Closing Date, the Investor's continued due diligence shall not be a condition precedent to the Company's right to deliver to the Investor any VWAP Purchase Notice or Intraday VWAP Purchase Notice or the settlement thereof except to the extent expressly contemplated by this Agreement.

Section 6.6. No Frustration; No Specified Transactions; No Equity Lines of Credit.

(a) **No Frustration**. The Company shall not enter into, announce or recommend to its stockholders any agreement, plan, arrangement or transaction in or of which the terms thereof would restrict, materially delay, conflict with or impair the ability or right of the Company to perform its obligations under the Transaction Documents, including, without limitation, the obligations of the Company to deliver the Shares to the Investor in respect of a VWAP Purchase or Intraday VWAP Purchase not later than the VWAP Purchase Share Delivery Date. For the avoidance of doubt, nothing in this Section 6.6(a) shall in any way limit the Company's right to terminate this Agreement in accordance with Section 8.2 (subject in all cases to Section 8.3).

(b) **No Specified Transactions**. The Company shall not effect or enter into an agreement to effect any issuance by the Company or any of its Subsidiaries of Common Stock or Common Stock Equivalents (or a combination of units thereof) involving a Specified Transaction other than in connection with an Exempt Issuance. The Investor shall be entitled to seek injunctive relief against the Company and its Subsidiaries to preclude any such issuance, which remedy shall be in addition to any right to collect damages, without the necessity of showing economic loss and without any bond or other security being required.

Section 6.7. Corporate Existence. The Company shall take all steps necessary to preserve and continue the corporate existence of the Company; provided, however, that, except as provided in Section 6.8, nothing in this Agreement shall be deemed to prohibit the Company from engaging in any Fundamental Transaction with another Person. For the avoidance of doubt, nothing in this Section 6.7 shall in any way limit the Company's right to terminate this Agreement in accordance with Section 8.2 (subject in all cases to Section 8.3).

Section 6.8. Fundamental Transaction. If a VWAP Purchase Notice or Intraday VWAP Purchase Notice has been delivered to the Investor, the Company shall not effect any Fundamental Transaction until the expiration of five (5) Trading Days following the later of (i) the date on which the Company has issued all Shares issuable pursuant to the VWAP Purchase or Intraday VWAP Purchase to which such VWAP Purchase Notice or Intraday VWAP Purchase Notice relates and (ii) the date on which the Investor has paid to the Company the VWAP Purchase Amount for all Shares issuable pursuant to the VWAP Purchase or Intraday VWAP Purchase to which such VWAP Purchase Notice or Intraday VWAP Purchase Notice relates.

Section 6.9. Selling Restrictions. Except as expressly set forth below, the Investor covenants that none of the Investor or any entity managed or controlled by the Investor (collectively, the "Restricted Persons" and each of the foregoing is referred to herein as a "***Restricted Person***") shall, directly or indirectly, (i) engage in any Short Sales of the Common Stock or (ii) hedging transaction, which, with respect to each of clauses (i) and (ii) hereof, establishes a net short position with respect to the Common Stock (i.e., taking into account the holdings of all Restricted Persons), either for its own principal account or for the principal account of any other Restricted Person. Notwithstanding the foregoing, it is expressly understood and agreed that nothing contained herein shall (without implication that the contrary would otherwise be true) prohibit any Restricted Person during the Restricted Period from: (1) selling "long" (as defined under Rule 200 promulgated under Regulation SHO) the Shares or any other shares of Common Stock or the Company's other securities; or (2) selling a number of shares of Common Stock equal to the number of Shares that such Restricted Person may purchase under a pending VWAP Purchase Notice or Intraday VWAP Purchase Notice but has not yet received from the Company or the Transfer Agent pursuant to this Agreement, so long as (x) such Restricted Person (including the Investor or any Broker-Dealer it designates, as applicable) delivers the Shares purchased pursuant to such VWAP Purchase Notice or Intraday VWAP Purchase Notice to the purchaser thereof or the applicable Broker-Dealer promptly upon such Restricted Person's receipt of such Shares from the Company in accordance with Section 3.2 of this Agreement or (y) the Company or the Transfer Agent fails for any reason to deliver such Shares to the Investor or any Broker-Dealer it designates so that such Shares are received by the Investor on the applicable VWAP Purchase Share Delivery Date in accordance with Section 3.2 of this Agreement, including, without limitation, within the time period specified for receipt of such Shares by the Investor or its Broker-Dealer from the Company or the Transfer Agent.

Section 6.10. Effective Registration Statement. The Company shall use its best efforts to maintain the continuous effectiveness of the Initial Registration Statement and each New Registration Statement filed with the Commission under the Securities Act for the applicable Registration Period pursuant to and in accordance with the Registration Rights Agreement.

Section 6.11. Blue Sky. The Company shall take such action, if any, as is necessary by the Company in order to obtain an exemption for or to qualify the Shares for sale by the Company to the Investor pursuant to the Transaction Documents, and at the request of the Investor, the subsequent resale of Registrable Securities by the Investor, in each case, under applicable state securities or “Blue Sky” laws and shall provide evidence of any such action so taken to the Investor from time to time following the Closing Date; provided, however, that the Company shall not be required in connection therewith or as a condition thereto to (x) qualify to do business in any jurisdiction where it would not otherwise be required to qualify but for this Section 6.11, (y) subject itself to general taxation in any such jurisdiction, or (z) file a general consent to service of process in any such jurisdiction.

Section 6.12. Non-Public Information. Neither the Company or any of its Subsidiaries, nor any of their respective directors, officers, employees or agents shall disclose any material non-public information about the Company to the Investor, unless a simultaneous public announcement thereof is made by the Company in the manner contemplated by Regulation FD. In the event of a breach of the foregoing covenant by the Company or any of its Subsidiaries, or any of their respective directors, officers, employees and agents (as determined in the reasonable good faith judgment of the Investor), (i) the Investor shall promptly provide written notice of such breach to the Company and (ii) after such notice has been provided to the Company and, provided that the Company shall have failed to demonstrate to the Investor in writing within 24 hours that such information does not constitute material, non-public information or the Company shall have failed to publicly disclose such material, non-public information within 24 hours following demand therefor by the Investor, in addition to any other remedy provided herein or in the other Transaction Documents, the Investor may in its sole discretion return such Shares to the Company and the Company shall immediately return any VWAP Purchase Amount that the Investor has paid for any Shares held by the Investor at the time of the disclosure of material, non-public information. The Investor may also, in its sole discretion, return Shares it is holding at the time of any receipt of notice from the Company of the happening of any event of the kind described in Section 3(p)(x), 3(p)(y) or the first sentence of 3(f) of the Registration Rights Agreement, in which case the Company shall immediately return any VWAP Purchase Amount that the Investor paid for such Shares; provided that any Shares, as of the date of any such proposed return, are not the subject of a VWAP Purchase Notice dated 30 days or more prior to the date of any such proposed return.

Section 6.13. Broker/Dealer. The Investor shall use one or more broker-dealers (which may be the Investor) to effectuate all sales, if any, of the Shares that it may purchase or otherwise acquire from the Company pursuant to the Transaction Documents, as applicable, which (or whom) shall be a DTC participant (collectively, the “**Broker-Dealer**”). The Investor shall, from time to time, provide the Company and the Transfer Agent with all information regarding the Broker-Dealer reasonably requested by the Company. The Investor shall be solely responsible for all fees and commissions of the Broker-Dealer (if any), which shall not exceed customary brokerage fees and commissions and shall be responsible for designating only a DTC participant eligible to receive the Shares.

Section 6.14. FINRA Filing and Fee. In connection with the filing to be made with the FINRA Corporate Financing Department (the “**Department**”) pursuant to Rule 5110 of the FINRA Manual with respect to the transactions contemplated by this Agreement (the “**FINRA Filing**”), on or prior to the date of the initial FINRA Filing, the Company shall pay the applicable FINRA filing fee by wire transfer of immediately available funds. The Company shall provide Investor with any information and documents reasonably requested by the Investor in order to complete the FINRA Filing and obtain as promptly as practicable a letter from the Department to the effect that the Department has determined not to raise any objection with respect to the fairness and reasonableness of the terms of the transactions contemplated by the Transaction Documents (a “**No Objections Letter**”). The Commencement Date shall not occur until such No Objections Letter has been received.

Section 6.15. Qualified Independent Underwriter (“QIU”). Prior to the Effective Date of the Initial Registration Statement, the Company agrees to cooperate with the Investor and execute such documentation as may reasonably be required to engage a QIU and (ii) the Company shall cause any opinion or opinions, 10b-5 letter, comfort letters and Bring-Down Comfort Letters to be delivered under this Agreement to be addressed to the QIU in addition to the Investor, unless FINRA has advised the Company prior to the Effective Date of the Initial Registration Statement that a QIU is not required to participate in the transactions contemplated by the Transaction Documents pursuant to Rule 5121 of the FINRA Manual.

Section 6.16. Delivery of Bring-Down Opinions and Officer's and Secretary's Certificates Upon Occurrence of Certain Events. The Company agrees that on or prior to the earlier of the date of the first VWAP Purchase Notice or the first Intraday VWAP Purchase Notice and, during the term of this Agreement, within three (3) Trading Days after each of the following: (i) the date of filing of an annual report on Form 10-K under the Exchange Act (including any Form 10-K/A containing amended financial information or a material amendment to the previously filed Form 10-K); (ii) the date of filing of a quarterly report on Form 10-Q under the Exchange Act; (iii) the date of filing of a current report on Form 8-K containing amended financial information (other than information "furnished" pursuant to Items 2.02 or 7.01 of Form 8-K or to provide disclosure pursuant to Item 8.01 of Form 8-K relating to the reclassification of certain properties as discontinued operations in accordance with Statement of Financial Accounting Standards No. 144) under the Exchange Act; (iv) the date of effectiveness of the Initial Registration Statement, any New Registration Statement, or any supplement or post-effective amendment thereto, or (v) the date of each reasonable request by the Investor, not more than once per calendar quarter (the date within such three (3) Trading Days after the foregoing dates in items (i) through (v) on which the documents set forth in items (1) through (3) below are delivered, each, a "*Representation Date*") the Company shall (1) deliver to the Investor an Officer's Certificate in the form attached hereto as Exhibit B (the "*Officer's Certificate*"), dated as of such Representation Date, and a Secretary's Certificate in the form attached hereto as Exhibit C (the "*Secretary's Certificate*"), dated as of such Representation Date, (2) cause to be furnished to the Investor an opinion and a 10b-5 letter, dated as of such Representation Date, each from outside counsel to the Company and in the form mutually agreed to by the Company and the Investor prior to the date of this Agreement and (3) cause to be furnished to the Investor a comfort letter, dated as of such Representation Date (each such letter, a "*Bring-Down Comfort Letter*") from each of Elliott Davis or such other accounting firm as applicable, who has audited any financial statements of the Company, its predecessors or any other entity included or incorporated by reference in the Registration Statement and the Prospectus, (in the case of a post-effective amendment, only if such amendment contains amended or new financial information), or any other independent registered public accounting firm that has certified financial statements of any Acquired Entity, in each case, that are included or incorporated by reference in the Registration Statement and the Prospectus, modified, as necessary, to relate to such Registration Statement or post-effective amendment, or the Prospectus contained therein as then amended or supplemented by such Prospectus Supplement, as applicable, each in the form mutually agreed to by the Company and the Investor prior to the date of this Agreement. The Investor shall have been furnished with such further certificates and documents as it may reasonably request. For the avoidance of doubt, following a Representation Date, the right of the Company to deliver VWAP Purchase Notices or Intraday VWAP Purchase Notices under this Agreement, and the obligation of the Investor to accept VWAP Purchase Notices or Intraday VWAP Purchase Notices under this Agreement, are subject to the Company having delivered to the Investor the Officer's Certificate, the Secretary's Certificate, opinions, 10b-5 letter and Bring-Down Comfort Letters referred to in clauses (1) through (3) above, each for the most recent Representation Date, and the Company having informed the Investor on a Trading Day that is at least ten (10) calendar days on or prior to the earlier of the date of the first VWAP Purchase Notice or the first Intraday VWAP Purchase Notice or any upcoming Representation Date of such upcoming VWAP Purchase Notice or such Intraday VWAP Purchase Notice or upcoming Representation Date.

Section 6.17. Trading in the Common Stock. The Company consents to the Investor's trading in Company's Common Stock for the Investor's own account and for the account of its clients at the same time as sales of Shares occur pursuant to this Agreement.

The Company acknowledges and agrees that it may not deliver any VWAP Purchase Notices or Intraday VWAP Purchase Notices to the Investor at any time when the Company is actively selling securities pursuant to the Sales Agreement.

party shall (i) become effective prior to the second (2nd) Trading Day immediately following the date on which the purchase of Shares by the Investor pursuant to any pending VWAP Purchase or Intraday VWAP Purchase has been fully settled, including, without limitation, the delivery by the Company to the Investor of all Shares purchased by the Investor pursuant to such pending VWAP Purchase or Intraday VWAP Purchase on the applicable VWAP Purchase Share Delivery Date therefor, and the delivery by the Investor to the Company of the aggregate VWAP Purchase Price payable by the Investor for such Shares, in each case in accordance with the settlement procedures set forth in Section 3.2 of this Agreement (it being hereby acknowledged and agreed that no termination of this Agreement shall limit, alter, modify, change or otherwise affect any of the Company's or the Investor's rights or obligations under the Transaction Documents with respect to any pending VWAP Purchase or Intraday VWAP Purchase that has not fully settled, and that the parties shall fully perform their respective obligations with respect to any such pending VWAP Purchase or Intraday VWAP Purchase under the Transaction Documents), (ii) limit, alter, modify, change or otherwise affect the Company's or the Investor's rights or obligations under the Registration Rights Agreement, all of which shall survive any such termination, or (iii) affect the Structuring Fee payable or paid to the Investor (or to its counsel directly), all of which Structuring Fee and reimbursement of fees and disbursements of legal counsel to the Investor shall be non-refundable when paid pursuant to Section 10.1(i). For the avoidance of doubt, the Company shall pay (i) the Initial Structuring Fee on January 31, 2024 and (ii) the Remainder Structuring Fee on the 6-month anniversary of the date of this Agreement in each case in the event this Agreement is terminated prior to such date. Nothing in this Section 8.3 shall be deemed to release the Company or the Investor from any liability for any breach or default under this Agreement, the Registration Rights Agreement or any of the other Transaction Documents, or to impair the rights of the Company and the Investor to compel specific performance by the other party of its obligations under this Agreement, the Registration Rights Agreement or any of the other Transaction Documents.

ARTICLE IX

INDEMNIFICATION

Section 9.1. Indemnification of Investor. In consideration of the Investor's execution and delivery of this Agreement and acquiring the Shares hereunder and in addition to all of the Company's other obligations under the Transaction Documents, subject to the provisions of this Section 9.1, the Company shall indemnify and hold harmless the Investor, its affiliates, each of their respective directors, officers, stockholders, members, partners, employees, agents and representatives (and any other Persons with a functionally equivalent role of a Person holding such titles notwithstanding the lack of such title or any other title) and each Person, if any, who controls the Investor within the meaning of the Securities Act or the Exchange Act and each of the directors, officers, stockholders, members, partners, employees, agents, and representatives (and any other Persons with a functionally equivalent role of a Person holding such titles notwithstanding the lack of such title or any other title) of such controlling Person (each, an "***Investor Party***" and collectively, the "***Investor Parties***"), from and against all losses, liabilities, obligations, claims, contingencies, damages, costs and expenses (including all judgments, amounts paid in settlement, court costs, all reasonable out-of-pocket legal or other expenses reasonably incurred in investigating, preparing or defending any litigation, commenced or threatened, or any claim whatsoever), amounts paid in settlement or expenses, joint or several, (collectively, "***Claims***") reasonably incurred in investigating, preparing or defending any action, claim, suit, inquiry, proceeding, investigation or appeal taken from the foregoing by or before any court or governmental, administrative or other regulatory agency, body or the Commission, whether commenced, pending or threatened, whether or not an Investor Party is or may be a party thereto ("***Indemnified Damages***"), to which any Investor Party may become subject insofar as such Claims (or actions or proceedings, whether commenced or threatened, in respect thereof) are (a) as a result of, relate to or arise out of, or are based upon any untrue statement or alleged untrue statement of a material fact contained in any Commission Document (or any amendment thereto), or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading, or arising out of any untrue statement or alleged untrue statement of a material fact included in any Commission Document, or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that this indemnity in (a) shall not apply to any Claim to the extent arising out of an untrue statement or omission, or alleged untrue statement or omission in a Commission Document, made in reliance upon and in conformity with information furnished in writing to the Company by the Investor for the Investor expressly for use in connection with the preparation of the Registration Statement, Prospectus or Prospectus Supplement or any such amendment thereof or supplement thereto (it being hereby acknowledged and agreed that the written information set forth on Exhibit B to the Registration Rights Agreement is the only written information furnished to the Company by or on behalf of the Investor expressly for use in any Registration Statement, Prospectus or Prospectus Supplement), (b) incurred or suffered to the extent of the aggregate amount paid in settlement of any litigation, or any investigation

or proceeding by any Governmental Authority, commenced or threatened, or of any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, (c) incurred or suffered in investigating, preparing or defending against any litigation, or any investigation or proceeding by any Governmental Authority, commenced or threatened, or any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission (whether or not a party), to the extent that any such expense is not paid under (a) or (b) above, (d) as a result of, relating to or arising out of any breach by the Company of its representations, warranties, covenants or agreements under this Agreement, or (e) as a result of, relating to or arising out of any other action, suit, claim or proceeding against an Investor Party arising out of or otherwise in connection with the Transaction Documents. The Company agrees to promptly notify the Investor of the commencement of any litigation or proceedings against the Company or any of its officers, directors or controlling persons in connection with the issue and sale of the Shares or in connection with the Registration Statement or the Prospectus.

The Company shall reimburse any Investor Party promptly upon demand (with accompanying presentation of documentary evidence) for all legal and other costs and expenses reasonably incurred by such Investor Party in connection with (i) any action, suit, claim or proceeding, whether at law or in equity, to enforce compliance by the Company with any provision of the Transaction Documents or (ii) any other any action, suit, claim or proceeding, whether at law or in equity, with respect to which it is entitled to indemnification under this Section 9.1.

Section 9.2. Indemnification Procedures.

(a) Promptly after an Investor Party receives notice of a claim or the commencement of an action for which the Investor Party intends to seek indemnification under Section 9.1, the Investor Party will notify the Company in writing of the claim or commencement of the action, suit or proceeding; provided, however, that failure to notify the Company will not relieve the Company from liability under Section 9.1, except to the extent it has been materially prejudiced by the failure to give such notice as evidenced by the forfeiture of by the Company of substantive rights or defenses. The Company will be entitled to participate in the defense of any claim, action, suit or proceeding as to which indemnification is being sought, and if the Company acknowledges in writing the obligation to indemnify the Investor Party against whom the claim or action is brought, the Company may (but will not be required to) assume the defense against the claim, action, suit or proceeding with counsel reasonably satisfactory to Investor Party. After the Company notifies the Investor Party that the Company wishes to assume the defense of a claim, action, suit or proceeding, the Company will not be liable for any further legal or other expenses incurred by the Investor Party in connection with the defense against the claim, action, suit or proceeding unless (1) the employment of counsel by the Investor Party has been authorized in writing by the Company, (2) the Investor Party has reasonably concluded (based on advice of counsel) that there may be legal defenses available to it or another Investor Party that are different from or in addition to those available to the Company, (3) a conflict or potential conflict exists (based on advice of counsel to the Investor Party) between an Investor Party and the Company (in which case the Company will not have the right to direct the defense of such action on behalf of the Investor Party) or (4) the Company has not in fact employed counsel to assume the defense of such action or counsel reasonably satisfactory to the indemnified party, in each case, within a reasonable time after receiving notice of the commencement of the action; in each of which cases the reasonable fees, disbursements and other charges of counsel will be at the expense of the Company. It is understood that the Company shall not, in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the reasonable fees, disbursements and other charges of more than one separate firm (plus local counsel) admitted to practice in such jurisdiction at any one time for all such similarly situated Investor Parties. The Company will not be liable for any settlement of any action effected without its prior written consent, which consent shall not be unreasonably withheld, delayed or conditioned. Notwithstanding anything in this Agreement, if at any time an Investor Party shall have requested the Company to reimburse the Investor Party for fees and expenses of counsel as contemplated by the third sentence of this paragraph, the Company agrees that it shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than fifteen (15) days after receipt by the Company of the aforesaid request and (ii) the Company shall not have reimbursed the Investor Party in accordance with such request prior to the date of such settlement. The Company shall not, without the prior written consent of each indemnified party, settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action or proceeding relating to the matters contemplated by this section (whether or not any indemnified party is a party thereto), unless such settlement, compromise or consent (1) includes an express and unconditional release of each indemnified party, in form and substance reasonably satisfactory to such indemnified party, from all liability arising out of such litigation, investigation, proceeding or claim and (2) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any indemnified party.

(b) To the fullest extent permissible under applicable law, if the indemnification, hold harmless and/or exoneration rights, obligations and undertakings by the Company set forth in Section 9.1 are unavailable to Investor in whole or in part for any reason whatsoever (including in accordance with the proviso in Section 9.1(a)), the Company, in lieu of indemnifying, holding harmless or exonerating Investor, shall pay, in the first instance, the entire amount incurred by Investor for losses, liabilities, obligations, claims, contingencies, damages, costs and expenses (including all judgments, amounts paid in settlement, court costs, all legal or other expenses reasonably incurred in investigating, preparing or defending any litigation, commenced or threatened, or any claim whatsoever), in connection with any actual or threatened proceeding without requiring Investor to contribute to such payment, and the Company hereby waives and relinquishes any right of contribution it may have at any time against Investor. However, if any provision of this Agreement is held to be void, invalid, or unenforceable, any liability Investor may have arising out of or relating to the Transaction Documents or the Commission Document (or any amendment thereto), for loss or damage to which any other persons have also contributed, shall be several, and not joint, and, shall be limited to the fees Investor actually receives pursuant to this Agreement, and in no event shall the Investor be obligated to contribute any amount to the Company in excess of the aggregate discount to the VWAP for all purchase made by the Investor under this Agreement. No exclusion or limitation on the liability of other responsible persons imposed or agreed at any time shall affect any assessment of Investor's liability hereunder, nor shall settlement of or difficulty enforcing any claim, or the death, dissolution or insolvency of any such other responsible persons or their ceasing to be liable for the loss or damage or any portion thereof, affect any such assessment. Investor does not accept liability to any third party. For purposes of this Section 9.2(b), any person who controls a party to this Agreement within the meaning of the Securities Act, any affiliates of the Investor Party and any officers, directors, partners, employees or agents of the Investor Party or any of its affiliates, will have the same rights to contribution as that party, and each director of the Company and each officer of the Company who signed the Registration Statement will have the same rights to contribution as the Company, subject in each case to the provisions hereof. Any party entitled to contribution, promptly after receipt of notice of commencement of any action against such party in respect of which a claim for contribution may be made under this Section 9.2(b), will notify any such party or parties from whom contribution may be sought, but the omission to so notify will not relieve that party or parties from whom contribution may be sought from any other obligation it or they may have under this Section 9.2(b) except to the extent that the failure to so notify such other party materially prejudiced the substantive rights or defenses of the party from whom contribution is sought. No party will be liable for contribution with respect to any action or claim settled without its written consent if such consent is required pursuant to Section 9.2(a) hereof. The Company shall not enter into any settlement of any proceeding in which the Company is jointly liable with Investor (or would be if joined in such proceeding) unless such settlement provides for a full and final release of all claims against Investor.

The remedies provided for in this Article IX are not exclusive and shall not limit any rights or remedies which may otherwise be available to any Investor Party at law or in equity.

ARTICLE X

MISCELLANEOUS

Section 10.1. Certain Fees and Expenses.

(i) **Certain Fees and Expenses.** Each party shall bear its own fees and expenses related to the transactions contemplated by the Transaction Documents, except that (a) the Company shall pay, by wire transfer of immediately available funds to an account designated by the Investor (or to an account designated by the Investor's counsel) (x) on January 31, 2024, a non-refundable commitment fee of \$50,000 less (if relevant) any amount of reimbursement pursuant to clause (b) below that exceed \$75,000 (the resulting amount, the "Initial Structuring Fee") and (y) on the 6-month anniversary of the date of this Agreement, a non-refundable commitment fee of \$100,000 (the "Remainder Structuring Fee" and, together with the Initial Structuring Fee, the "***Structuring Fee***"), (b) the Company will reimburse the fees and disbursements of legal counsel to the Investor in connection with the entry into the Transaction Documents and the review of the Initial Registration Statement, with the initial reimbursement to be made as of the Closing Date with respect to those expenses provided to the Company not less than two (2) Trading Days prior to the Closing Date, and reimbursement of any further amounts to be made no later than the Commencement Date, and (c) the Company will reimburse the fees and disbursements of legal counsel to the Investor in an amount not to exceed \$15,000 per fiscal quarter — except

for those fiscal quarters in which additional diligence is reasonably required because of a material amendment or restatement to the Registration Statement, in which case such amount not to exceed \$25,000 per fiscal quarter, absent unusual circumstances – in connection with the Investor’s ongoing due diligence and review of any registration statements (including any supplements or amendments thereto) and deliverables subject to Section 6.16 within fourteen (14) calendar days following the applicable Representation Date. The Company shall pay all U.S. federal, state and local stamp and other similar transfer and other taxes (other than income taxes) and duties levied in connection with issuance of the Shares pursuant hereto. All of the Structuring Fee shall be fully earned and non-refundable as of Commencement.

(ii) **Intentionally Omitted.**

(iii) **Legends.** The certificate(s) or book-entry statement(s) representing the Shares issued pursuant to this Agreement, except as set forth below, shall bear a restrictive legend in substantially the following form (and stop transfer instructions may be placed against transfer of such Shares that is not in accordance with this Agreement and the Registration Rights Agreement):

THE SECURITIES REPRESENTED HEREBY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “ACT”), OR UNDER THE SECURITIES LAWS OF ANY OTHER JURISDICTIONS. THESE SECURITIES MAY NOT BE TRANSFERRED OR RESOLD EXCEPT AS PERMITTED UNDER THE ACT OR APPLICABLE STATE SECURITIES LAWS (PURSUANT TO REGISTRATION OR EXEMPTION THEREFROM).

(iv) **Notice of Effectiveness.** On the Effective Date of the Initial Registration Statement and prior to Commencement, the Company shall deliver or cause to be delivered to its Transfer Agent, the notice of effectiveness in the form attached as an exhibit to the Registration Rights Agreement (the “**Notice of Effectiveness**”) relating to the Initial Registration Statement. With respect to any post-effective amendment to the Initial Registration Statement, any New Registration Statement or any post-effective amendment to any New Registration Statement, in each case declared effective by the Commission after the Commencement Date, the Company shall deliver or cause to be delivered to its Transfer Agent, the Notice of Effectiveness, in each case modified as necessary to refer to such Registration Statement or post-effective amendment and the Registrable Securities included therein.

(v) **Removal of Legends from Rule 144 Shares.** Upon the written request by the Investor to the Company if, at the time of such request, the Investor (i) is not, and has not been during the preceding three months, an affiliate of the Company, (ii) has held the Shares subject to such request for at least one year as determined in accordance with Rule 144, (iii) all of the other requirements of Rule 144 for the resale of the Shares subject to such request are satisfied, and (iv) concurrently with such request, delivers to the Company, its counsel and the Transfer Agent a written certification that the requirements set forth in the foregoing clauses (i) through (iii) are accurate, the Company shall, no later than one (1) Trading Day following the delivery by the Investor to the Transfer Agent of one or more legended certificates or book-entry statements representing the Shares (as applicable) subject to such request, together with such other documentation from the Investor and its designated Broker-Dealer as the Transfer Agent deems necessary and appropriate, authorize the Transfer Agent to remove the Securities Act restrictive legend (and any stop transfer instructions placed against transfer thereof) contemplated by Section 10.1(iii) affixed to the Shares subject to such request. At the times the Company authorizes the removal of the Securities Act restrictive legends on the Shares subject to such request (and any stop transfer instructions placed against transfer thereof) pursuant to this Section 10.1(v), the Company shall, at its sole expense, use its commercially reasonable efforts to cause its legal counsel to issue to the Transfer Agent a legal opinion or direction letter authorizing the Transfer Agent to remove the Securities Act restrictive legends contemplated by Section 10.1(iii) on the Shares subject to such request (which legal opinion or direction letter may be delivered to the Transfer Agent in advance setting forth the conditions to the removal of such legends). The Company shall be responsible for the fees of its Transfer Agent and its legal counsel associated with any such legend removals.

Section 10.2. Specific Enforcement, Consent to Jurisdiction, Waiver of Jury Trial.

(i) The Company and the Investor acknowledge and agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that either party shall be entitled to an injunction

or injunctions to prevent or cure breaches of the provisions of this Agreement by the other party and to enforce specifically the terms and provisions hereof (without the necessity of showing economic loss and without any bond or other security being required), this being in addition to any other remedy to which either party may be entitled by law or equity.

(ii) Each of the Company and the Investor (a) hereby irrevocably submits to the jurisdiction of the U.S. District Court and other courts of the United States sitting in the State of New York for the purposes of any suit, action or proceeding arising out of or relating to this Agreement, and (b) hereby waives, and agrees not to assert in any such suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of such court, that the suit, action or proceeding is brought in an inconvenient forum or that the venue of the suit, action or proceeding is improper. Each of the Company and the Investor consents to process being served in any such suit, action or proceeding by mailing a copy thereof to such party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing in this Section 10.2 shall affect or limit any right to serve process in any other manner permitted by law.

(iii) EACH OF THE COMPANY AND THE INVESTOR HEREBY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT TO ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR DISPUTES RELATING HERETO. EACH OF THE COMPANY AND THE INVESTOR (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE ENTERED INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.2.

Section 10.3. Entire Agreement. The Transaction Documents set forth the entire agreement and understanding of the parties with respect to the subject matter hereof and supersedes all prior and contemporaneous agreements, negotiations and understandings between the parties, both oral and written, with respect to such matters. There are no promises, undertakings, representations or warranties by either party relative to subject matter hereof not expressly set forth in the Transaction Documents. All exhibits to this Agreement are hereby incorporated by reference in, and made a part of, this Agreement as if set forth in full herein.

Section 10.4. Notices. Any notice, demand, request, waiver or other communication required or permitted to be given hereunder shall be in writing and shall be effective (a) upon hand delivery or electronic mail delivery at the address or number designated in Exhibit F (if delivered on a business day during normal business hours where such notice is to be received), or the first business day following such delivery (if delivered other than on a business day during normal business hours where such notice is to be received) or (b) on the second business day following the date of mailing by express courier service, fully prepaid, addressed to such address, or upon actual receipt of such mailing, whichever shall first occur.

Either party hereto may from time to time change its address for notices by giving at least five (5) days' advance written notice of such changed address to the other party hereto. In addition, each party hereto shall give at least five (5) days' advance written notice to the other party hereto of any change in the address or email address of such party's legal counsel set forth in Exhibit F.

Section 10.5. Waivers. No provision of this Agreement may be waived other than in a written instrument signed by the party against whom enforcement of such waiver is sought. No failure or delay in the exercise of any power, right or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercises thereof or of any other right, power or privilege.

Section 10.6. Amendments. No provision of this Agreement may be amended by the parties from and after the date that is one (1) Trading Day immediately preceding the filing of the Initial Registration Statement with the Commission. Subject to the immediately preceding sentence, no provision of this Agreement may be amended other than by a written instrument signed by both parties hereto.

Section 10.7. Headings. The article, section and subsection headings in this Agreement are for convenience only and shall not constitute a part of this Agreement for any other purpose and shall not be deemed to limit or affect any of the provisions hereof. Unless the context clearly indicates otherwise, each pronoun herein shall be deemed to include the masculine, feminine, neuter, singular and plural forms thereof. The terms “including,” “includes,” “include” and words of like import shall be construed broadly as if followed by the words “without limitation.” The terms “herein,” “hereunder,” “hereof” and words of like import refer to this entire Agreement instead of just the provision in which they are found.

Section 10.8. Construction. The parties agree that each of them and their respective counsel has reviewed and had an opportunity to revise the Transaction Documents and, therefore, the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of the Transaction Documents. In addition, each and every reference to share prices and number of shares of Common Stock in any Transaction Document shall, in all cases, be subject to adjustment for any stock splits, stock combinations, stock dividends, recapitalizations, reorganizations and other similar transactions that occur on or after the date of this Agreement. Any reference in this Agreement to “**Dollars**” or “\$” shall mean the lawful currency of the United States of America. Any references to “Section” or “Article” in this Agreement shall, unless otherwise expressly stated herein, refer to the applicable Section or Article of this Agreement.

Section 10.9. Binding Effect. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors. Neither the Company nor the Investor may assign this Agreement or any of their respective rights or obligations hereunder to any Person.

Section 10.10. No Third Party Beneficiaries. Except as expressly provided in Article IX, this Agreement is intended only for the benefit of the parties hereto and their respective successors, and is not for the benefit of, nor may any provision hereof be enforced by, any other Person.

Section 10.11. Governing Law. This Agreement shall be governed by and construed in accordance with the internal procedural and substantive laws of the State of New York, without giving effect to the choice of law provisions of such state that would cause the application of the laws of any other jurisdiction.

Section 10.12. Survival. The representations, warranties, covenants and agreements of the Company and the Investor contained in this Agreement shall survive the execution and delivery hereof until the termination of this Agreement; provided, however, that (i) the provisions of Article VIII (Termination), Article IX (Indemnification) and this Article X (Miscellaneous) shall remain in full force and effect indefinitely notwithstanding such termination, and, (ii) so long as the Investor owns any Shares, the covenants and agreements of the Company and the Investor contained in Article VI (Additional Covenants), shall remain in full force and effect notwithstanding such termination for a period of six (6) months following such termination.

Section 10.13. Counterparts. This Agreement may be executed in two or more identical counterparts, all of which shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party; provided that a facsimile signature or signature delivered by e-mail in a “.pdf” format data file, including any electronic signature complying with the U.S. federal ESIGN Act of 2000, e.g., www.docusign.com, www.echosign.adobe.com, etc., shall be considered due execution and shall be binding upon the signatory thereto with the same force and effect as if the signature were an original signature.

Section 10.14. Publicity. The Company shall afford the Investor and its counsel with a reasonable opportunity to review and comment upon, shall consult with the Investor and its counsel on the form and substance of, and shall give due consideration to all such comments from the Investor or its counsel on, any press release, Commission filing or any other public disclosure made by or on behalf of the Company relating to the Investor, its purchases hereunder or any aspect of the Transaction Documents or the transactions contemplated hereby and thereby, prior to the issuance, filing or public disclosure thereof. For the avoidance of doubt, the Company shall not be required to submit for review any such disclosure (i) contained in periodic reports filed with the Commission under the Exchange Act if it shall have previously provided the same disclosure to the Investor or its counsel for review in connection with a previous filing or (ii) any Prospectus Supplement if it contains disclosure that does not reference the Investor, its purchases hereunder or any aspect of the Transaction Documents or the transactions contemplated hereby and thereby.

Section 10.15. Severability. The provisions of this Agreement are severable and, in the event that any court of competent jurisdiction shall determine that any one or more of the provisions or part of the provisions contained in this Agreement shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision or part of a provision of this Agreement, and this Agreement shall be reformed and construed as if such invalid or illegal or unenforceable provision, or part of such provision, had never been contained herein, so that such provisions would be valid, legal and enforceable to the maximum extent possible.

Section 10.16. Further Assurances. From and after the Closing Date, upon the request of the Investor or the Company, each of the Company and the Investor shall execute and deliver such instrument, documents and other writings as may be reasonably necessary or desirable to confirm and carry out and to effectuate fully the intent and purposes of this Agreement.

The Initial Registration Statement shall contain the “Selling Stockholder” and “Plan of Distribution (Conflicts of Interest)” sections in the form agreed to by the Investor. The Company shall use its commercially reasonable efforts to have the Initial Registration Statement declared effective by the Commission as promptly as practicable, but in no event later than the applicable Effectiveness Deadline following the filing thereof with the Commission.

Subject to Section 5 hereof, the Investor shall have the right to select one legal counsel to review and oversee, solely on its behalf, any registration pursuant to this Section 2 (“**Legal Counsel**”), which shall be Lowenstein Sandler LLP, or such other counsel as thereafter designated by the Investor. Other than as set forth in the Purchase Agreement, the Company shall not be required to reimburse the Investor for any and all legal fees and expenses of the Legal Counsel incurred in connection with each registration contemplated hereby.

(c) Sufficient Number of Shares Registered. If at any time all Registrable Securities are not covered by the Initial Registration Statement filed pursuant to Section 2(a) as a result of Section 2(e) or otherwise, the Company shall use its commercially reasonable efforts to file with the Commission one or more additional Registration Statements so as to cover all of the Registrable Securities not covered by such Initial Registration Statement, in each case, as soon as practicable (taking into account any position of the staff of the Commission (“**Staff**”) with respect to the date on which the Staff will permit such additional Registration Statement(s) to be filed with the Commission and the rules and regulations of the Commission) (each such additional Registration Statement, a “**New Registration Statement**”) but in no event later than the applicable Filing Deadline for such New Registration Statement. Notwithstanding anything in this Agreement to the contrary, if after giving effect to the actions referred to in the immediately preceding sentence, the Staff or the Commission does not permit such Registration Statement to become effective and be used for resales by the Investor on a delayed or continuous basis under Rule 415 at then-prevailing market prices (and not fixed prices), the Company shall not request acceleration of the Effective Date of such Registration Statement, the Company shall promptly (but in no event later than 48 hours) request the withdrawal of such Registration Statement pursuant to Rule 477 under the Securities Act, and the Effectiveness Deadline shall

automatically be deemed to have elapsed with respect to such Registration Statement at such time as the Staff or the Commission has made a final and non-appealable determination that the Commission will not permit such Registration Statement to be so utilized (unless prior to such time the Company has received assurances from the Staff or the Commission that a New Registration Statement filed by the Company with the Commission promptly thereafter may be so utilized). In the event of any reduction in Registrable Securities or if the Commission does not permit such Registration Statement to become effective and used for resales by the Investor on a delayed or continuous basis under Rule 415 at then-prevailing market prices pursuant to this paragraph, the Company shall use its commercially reasonable efforts to file one or more New Registration Statements with the Commission in accordance with Section 2(c) until such time as all Registrable Securities have been included in Registration Statements that have been declared effective and the Prospectuses contained therein are available for use by the Investor.

(f) Any Registrable Security shall cease to be a “**Registrable Security**” at the earliest of the following: (i) when a Registration Statement covering such Registrable Security becomes or has been declared effective by the Commission and such Registrable Security has been sold or disposed of pursuant to such effective Registration Statement; (ii) when such Registrable Security is acquired by the Company or one of its Subsidiaries; and (iii) such securities may be sold without registration pursuant to Rule 144 or any successor rule promulgated under the Securities Act.

ARTICLE III

RELATED OBLIGATIONS

Section 3. Related Obligations. The Company shall use its commercially reasonable efforts to effect the registration of the Registrable Securities in accordance with the terms of this Agreement and the intended method of disposition thereof, and, pursuant thereto, during the term of this Agreement, the Company shall have the following obligations:

(a) The Company shall promptly prepare and file with the Commission the Initial Registration Statement pursuant to Section 2(a) hereof and, as applicable, one or more New Registration Statements pursuant to Section 2(c) hereof with respect to the Registrable Securities, but in no event later than the applicable Filing Deadline therefor, and the Company shall use its commercially reasonable efforts to cause each such Registration Statement to become effective as soon as practicable after such filing, but in no event later than the applicable Effectiveness Deadline therefor. Subject to Allowable Grace Periods (as defined below), the Company shall use its commercially reasonable efforts to keep each Registration Statement effective (and the Prospectus contained therein available for use) pursuant to Rule 415 for resales by the Investor on a continuous basis at then-prevailing market prices (and not fixed prices) at all times until the earlier of (i) the date on which the Investor shall have sold all of the Registrable Securities covered by such Registration Statement and (ii) the one year anniversary of the date of termination of the Purchase Agreement if as of such date the Investor holds no Registrable Securities (or, if applicable, the date on which such securities cease to be Registrable Securities after the date of termination of the Purchase Agreement) (the “**Registration Period**”). Notwithstanding anything to the contrary contained in this Agreement (but subject to the provisions of Section 3(p) hereof), the Company shall ensure that, when filed and at all times while effective, each Registration Statement (including, without limitation, all amendments and supplements thereto) and the Prospectus (including, without limitation, all amendments and supplements thereto) used in connection with such Registration Statement shall not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein, or necessary to make the statements therein (in the case of Prospectuses, in the light of the circumstances in which they were made) not misleading. The Company shall submit to the Commission, as soon as reasonably practicable after the date that the Commission informs the Company that no review of a particular Registration Statement will be made by the Staff or that the Staff has no further comments on a particular Registration Statement (as the case may be), a request for acceleration of effectiveness of such Registration Statement to a time and date as soon as reasonably practicable in accordance with Rule 461 under the Securities Act.

(b) Subject to Section 3(p) of this Agreement, the Company shall, as soon as reasonably practicable, use its commercially reasonable efforts to prepare and file with the Commission such amendments (including, without limitation, post-effective amendments) and supplements to each Registration Statement and the Prospectus used in connection with each such Registration Statement, which Prospectus is to be filed pursuant to Rule 424 promulgated under the Securities Act, as may be necessary to keep each such Registration Statement effective

(and the Prospectus contained therein current and available for use) at all times during the Registration Period for such Registration Statement, and, during such period, comply with the provisions of the Securities Act with respect to the disposition of all Registrable Securities of the Company required to be covered by such Registration Statement until such time as all of such Registrable Securities shall have been disposed of in accordance with the intended methods of disposition by the Investor. Without limiting the generality of the foregoing, the Company covenants and agrees that (i) at or before 8:30 a.m. (New York City time) on the second (2nd) Trading Day immediately following the Effective Date of the Initial Registration Statement and any New Registration Statement (or any post-effective amendment thereto), the Company shall file with the Commission in accordance with Rule 424(b) under the Securities Act the final Prospectus to be used in connection with sales pursuant to such Registration Statement (or post-effective amendment thereto), and (ii) if the transactions contemplated by any VWAP Purchase or Intraday VWAP Purchase are material to the Company (individually or collectively with all other prior VWAP Purchases or Intraday VWAP Purchases, the consummation of which have not previously been reported in any Prospectus Supplement filed with the Commission under Rule 424(b) under the Securities Act or in any report, statement or other document filed by the Company with the Commission under the Exchange Act and incorporated by reference in the Registration Statement and the Prospectus), or if otherwise required under the Securities Act (or the interpretations of the Commission thereof), in each case as reasonably determined by the Company and the Investor, then, at or before 8:30 a.m., New York City time, on the first (1st) Trading Day immediately following the VWAP Purchase Date, if a VWAP Purchase Notice or Intraday VWAP Purchase Notice was properly delivered to the Investor hereunder in connection with such VWAP Purchase or Intraday VWAP Purchase, the Company shall file with the Commission a Prospectus Supplement pursuant to Rule 424(b) under the Securities Act with respect to the VWAP Purchase(s) or Intraday VWAP Purchase(s), the total VWAP Purchase Price for the Shares subject to such VWAP Purchase(s) or Intraday VWAP Purchase(s) (as applicable), the applicable VWAP Purchase Price(s) for such Shares and the net proceeds that are to be (and, if applicable, have been) received by the Company from the sale of such Shares. To the extent not previously disclosed in the Prospectus or a Prospectus Supplement, the Company shall disclose in its Quarterly Reports on Form 10-Q and in its Annual Reports on Form 10-K the information described in the immediately preceding sentence relating to all VWAP Purchase(s) or Intraday VWAP Purchase(s) consummated during the relevant fiscal quarter and shall file such Quarterly Reports and Annual Reports with the Commission within the applicable time period prescribed for such report under the Exchange Act. In the case of amendments and supplements to any Registration Statement on Form S-1 or Prospectus related thereto which are required to be filed pursuant to this Agreement (including, without limitation, pursuant to this Section 3(b)) by reason of the Company filing a report on Form 8-K, Form 10-Q or Form 10-K or any analogous report under the Exchange Act, the Company shall have such report incorporated by reference into such Registration Statement and Prospectus, if applicable, or shall file such amendments or supplements to the Registration Statement or Prospectus with the Commission on the same day on which the Exchange Act report is filed which created the requirement for the Company to amend or supplement such Registration Statement or Prospectus, for the purpose of including or incorporating such report into such Registration Statement and Prospectus. The Company consents to the use of the Prospectus (including, without limitation, any supplement thereto) included in each Registration Statement in accordance with the provisions of the Securities Act and with the securities or “Blue Sky” laws of the jurisdictions in which the Registrable Securities may be sold by the Investor, in connection with the resale of the Registrable Securities and for such period of time thereafter as such Prospectus (including, without limitation, any supplement thereto) (or in lieu thereof, the notice referred to in Rule 173(a) under the Securities Act) is required by the Securities Act to be delivered in connection with resales of Registrable Securities.

(c) The Company shall (A) permit Investor and Legal Counsel an opportunity to review and comment upon (i) each Registration Statement at least five (5) Trading Days prior to its filing with the Commission and (ii) all amendments and supplements to each Registration Statement (including, without limitation, the Prospectus contained therein) (except for Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, Current Reports on Form 8-K, and any similar or successor reports or Prospectus Supplements the content of which is limited to that set forth in such reports) at least five (5) Trading Days prior to their filing with the Commission, and (B) shall reasonably consider any comments of the Investor and Legal Counsel on any such Registration Statement or amendment or supplement thereto or to any Prospectus contained therein. The Company shall promptly furnish to Legal Counsel, without charge, (i) electronic copies of any correspondence from the Commission or the Staff to the Company or its representatives relating to each Registration Statement (which correspondence shall be redacted to exclude any material, non-public information regarding the Company or any of its Subsidiaries), (ii) after the same is prepared and filed with the Commission, one (1) electronic copy of each Registration Statement and any amendment(s) and supplement(s) thereto, including, without limitation, financial statements and schedules, all documents incorporated therein by reference, if requested by the Investor, and all exhibits and (iii) upon the effectiveness of each Registration

Statement, one (1) electronic copy of the Prospectus included in such Registration Statement and all amendments and supplements thereto; provided, however, the Company shall not be required to furnish any document (other than the Prospectus, which may be provided in .PDF format) to Legal Counsel to the extent such document is available on EDGAR at the time of Legal Counsel's request).

(d) Without limiting any obligation of the Company under the Purchase Agreement, the Company shall promptly furnish to the Investor, without charge, (i) after the same is prepared and filed with the Commission, at least one (1) electronic copy of each Registration Statement and any amendment(s) and supplement(s) thereto, including, without limitation, financial statements and schedules, all documents incorporated therein by reference, if requested by the Investor, all exhibits thereto, (ii) upon the effectiveness of each Registration Statement, one (1) electronic copy of the Prospectus included in such Registration Statement and all amendments and supplements thereto (or such other number of copies as the Investor may reasonably request from time to time) and (iii) such other documents, including, without limitation, copies of any final Prospectus and any Prospectus Supplement thereto, as the Investor may reasonably request from time to time in order to facilitate the disposition of the Registrable Securities owned by the Investor; provided, however, the Company shall not be required to furnish any document (other than the Prospectus, which may be provided in .PDF format) to the Investor to the extent such document is available on EDGAR).

(e) The Company shall take such action as is reasonably necessary to (i) register and qualify, unless an exemption from registration and qualification applies, the resale by the Investor of the Registrable Securities covered by a Registration Statement under such other securities or "Blue Sky" laws of all applicable jurisdictions in the United States, (ii) prepare and file in those jurisdictions, such amendments (including, without limitation, post-effective amendments) and supplements to such registrations and qualifications as may be necessary to maintain the effectiveness thereof during the Registration Period, (iii) take such other actions as may be reasonably necessary to maintain such registrations and qualifications in effect at all times during the Registration Period, and (iv) take all other actions reasonably necessary or advisable to qualify the Registrable Securities for sale in such jurisdictions; provided, however, the Company shall not be required in connection therewith or as a condition thereto to (x) qualify to do business in any jurisdiction where it would not otherwise be required to qualify but for this Section 3(e), (y) subject itself to general taxation in any such jurisdiction, or (z) file a general consent to service of process in any such jurisdiction. The Company shall promptly notify Legal Counsel and the Investor of the receipt by the Company of any notification with respect to the suspension of the registration or qualification of any of the Registrable Securities for sale under the securities or "Blue Sky" laws of any jurisdiction in the United States or its receipt of actual notice of the initiation or threatening of any proceeding for such purpose.

(f) The Company shall notify Legal Counsel and the Investor in writing of the happening of any event, as promptly as reasonably practicable after becoming aware of such event, as a result of which the Prospectus included in a Registration Statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein (in the case of Prospectuses, in the light of the circumstances under which they were made), not misleading (provided that in no event shall such notice contain any material, non-public information regarding the Company or any of its Subsidiaries), and, subject to Section 3(p), promptly prepare a supplement or amendment to such Registration Statement and such Prospectus contained therein to correct such untrue statement or omission and deliver one (1) electronic copy of such supplement or amendment to Legal Counsel and the Investor (or such other number of copies as Legal Counsel or the Investor may reasonably request). The Company shall also promptly notify Legal Counsel and the Investor in writing (i) when a Prospectus or any Prospectus Supplement or post-effective amendment has been filed, when a Registration Statement or any post-effective amendment has become effective (notification of such effectiveness shall be delivered to Legal Counsel and the Investor by facsimile or e-mail promptly following such effectiveness), and when the Company receives written notice from the Commission that a Registration Statement or any post-effective amendment will be reviewed by the Commission, (ii) of any request by the Commission for amendments or supplements to a Registration Statement or related Prospectus or related information, (iii) of the Company's reasonable determination that a post-effective amendment to a Registration Statement would be appropriate and (iv) of the receipt of any request by the Commission or any other federal or state governmental authority for any additional information relating to the Registration Statement or any amendment or supplement thereto or any related Prospectus. The Company shall, as promptly as reasonably practicable (x) respond to any comments received from the Commission with respect to a Registration Statement or any amendment thereto and (y) prepare and file any such supplement or amendment to such Registration Statement and such Prospectus with the Commission as required pursuant to the determination or requests set forth under subsections (ii) to (iv) above. Nothing in this Section 3(f) shall limit any obligation of the Company under the Purchase Agreement.

(g) The Company shall (i) use its commercially reasonable efforts to prevent the issuance of any stop order or other suspension of effectiveness of a Registration Statement or the use of any Prospectus contained therein, or the suspension of the qualification, or the loss of an exemption from qualification, of any of the Registrable Securities for sale in any jurisdiction and, if such an order or suspension is issued, to obtain the withdrawal of such order or suspension at the earliest possible time and (ii) notify Legal Counsel and the Investor of the issuance of such order and the resolution thereof or its receipt of actual notice of the initiation or threat of any proceeding.

(h) The Company shall hold in confidence and not make any disclosure of information concerning the Investor provided to the Company unless (i) disclosure of such information is necessary to comply with federal or state securities laws, (ii) the disclosure of such information is necessary to avoid or correct a misstatement or omission in any Registration Statement or is otherwise required to be disclosed in such Registration Statement pursuant to the Securities Act, (iii) the release of such information is ordered pursuant to a subpoena or other final, non-appealable order from a court or governmental body of competent jurisdiction, or (iv) such information has been made generally available to the public other than by disclosure in violation of this Agreement or any other Transaction Document. The Company agrees that it shall, upon learning that disclosure of such information concerning the Investor is sought in or by a court or governmental body of competent jurisdiction or through other means, give prompt written notice to the Investor and allow the Investor, at the Investor's expense, to undertake appropriate action to prevent disclosure of, or to obtain a protective order for, such information.

(i) Without limiting any obligation of the Company under the Purchase Agreement, the Company shall use its commercially reasonable efforts either to (i) cause all of the Registrable Securities covered by each Registration Statement to be listed on the Trading Market, or (ii) secure designation and quotation of all of the Registrable Securities covered by each Registration Statement on another Eligible Market. The Company shall pay all fees and expenses in connection with satisfying its obligation under the preceding sentence. In addition, the Company shall reasonably cooperate with the Investor and any Broker-Dealer through which the Investor proposes to sell its Registrable Securities in effecting a filing with FINRA pursuant to FINRA Rule 5110 as reasonably requested by the Investor.

(j) Investor hereby represents, warrants and covenants to the Company that it will resell the Shares only pursuant to the Registration Statement in which such Shares are included, in a manner described under the caption "Plan of Distribution" in such Registration Statement, and in a manner in compliance with all applicable U.S. federal and state securities laws, rules and regulations, including, without limitation, any applicable prospectus delivery requirements of the Securities Act.

(k) Upon the written request of the Investor, the Company shall as soon as reasonably practicable after receipt of notice from the Investor and subject to Section 3(p) hereof, (i) incorporate in a Prospectus Supplement or post-effective amendment such information as the Investor reasonably requests to be included therein relating to the sale and distribution of Registrable Securities, including, without limitation, information with respect to the number of Registrable Securities being offered or sold, the purchase price being paid therefor and any other terms of the offering of the Registrable Securities to be sold in such offering; (ii) make all required filings of such Prospectus Supplement or post-effective amendment after being notified of the matters to be incorporated in such Prospectus Supplement or post-effective amendment; and (iii) supplement or make amendments to any Registration Statement or Prospectus contained therein if reasonably requested by the Investor.

(l) The Company shall use its commercially reasonable efforts to cause the Registrable Securities covered by a Registration Statement to be registered with or approved by such other governmental agencies or authorities as may be necessary to consummate the disposition of such Registrable Securities.

(m) The Company shall make generally available to its security holders (which may be satisfied by making such information available on EDGAR) as soon as practical, but not later than ninety (90) days after the close of the period covered thereby, an earnings statement (in form complying with, and in the manner provided by, the provisions of Rule 158 under the Securities Act) covering a twelve-month period beginning not later than the first day of the Company's fiscal quarter next following the applicable Effective Date of each Registration Statement.

(n) The Company shall use its commercially reasonable efforts to comply with all applicable securities laws, and all other applicable rules and regulations of the Commission in connection with any registration hereunder.

(o) Within one (1) Business Day after each Registration Statement which covers Registrable Securities is declared effective by the Commission, the Company shall cause legal counsel for the Company to deliver, to the transfer agent for such Registrable Securities (with copies to the Investor) confirmation that such Registration Statement has been declared effective by the Commission in the form attached hereto as Exhibit A.

(p) Notwithstanding anything to the contrary contained herein (but subject to the last sentence of this Section 3(p)), at any time after the Effective Date of a particular Registration Statement, the Company may, upon written notice to the Investor, suspend the Investor's use of any prospectus that is a part of any Registration Statement (in which event the Investor shall discontinue sales of the Registrable Securities pursuant to such Registration Statement contemplated by this Agreement, but may, in its sole discretion, settle any previously made sales of Registrable Securities) if the Company (x) is pursuing an acquisition, merger, tender offer, reorganization, disposition or other similar transaction and the majority of the Board determines in good faith that (A) the Company's ability to pursue or consummate such a transaction would be materially adversely affected by any required disclosure of such transaction in such Registration Statement or other registration statement or (B) such transaction renders the Company unable to comply with Commission requirements, in each case under circumstances that would make it impractical or inadvisable to cause any Registration Statement (or such filings) to be used by Investor or to promptly amend or supplement any Registration Statement contemplated by this Agreement on a post effective basis, as applicable, or (y) is required to make an Adverse Disclosure (each, an "***Allowable Grace Period***"); *provided, however*, that in no event shall the Investor be suspended from selling Registrable Securities pursuant to any Registration Statement for a period that exceeds twenty (20) consecutive Trading Days or an aggregate of sixty (60) days in any three hundred and sixty-five (365)-day period; and *provided, further*, the Company shall not effect any such suspension (A) during the first 10 consecutive Trading Days after the Effective Date of the particular Registration Statement or (B) if a VWAP Purchase Notice or Intraday VWAP Purchase Notice has been delivered to the Investor, before the fifth (5th) Trading Day following the later of (i) the date on which the Company has issued all Shares issuable pursuant to the VWAP Purchase or Intraday VWAP Purchase to which such VWAP Purchase Notice or Intraday VWAP Purchase Notice relates and (ii) the date on which the Investor has paid to the Company the VWAP Purchase Amount for all Shares issuable pursuant to the VWAP Purchase or Intraday VWAP Purchase to which such VWAP Purchase Notice or Intraday VWAP Purchase Notice relates. The Company agrees that it shall not send any VWAP Purchase Notice or Intraday VWAP Purchase Notice to the Investor during an Allowable Grace Period. Upon disclosure of such information or the termination of the condition described above, the Company shall provide prompt notice, but in any event within one Business Day of such disclosure or termination, to the Investor and shall promptly terminate any suspension of sales it has put into effect and shall take such other reasonable actions to permit registered sales of Registrable Securities as contemplated in this Agreement (including as set forth in the first sentence of Section 3(f) with respect to the information giving rise thereto unless such material, non-public information is no longer applicable). Notwithstanding anything to the contrary contained in this Section 3(p), if the Company is obligated in accordance with the terms of the Purchase Agreement to issue DWAC Shares to a person purchasing such Shares from the Investor in a resale of such Registrable Securities with respect to which the Investor has entered into a contract for sale, and delivered a copy of the Prospectus included as part of the particular Registration Statement to the extent applicable, in each case prior to the Investor's receipt of the notice of an Allowable Grace Period and for which the Investor has not yet settled, the Company shall deliver DWAC Shares to such person in accordance with the terms of the Purchase Agreement.

ARTICLE IV

OBLIGATIONS OF THE INVESTOR

Section 4. Obligations of the Investor.

(a) At least five (5) Business Days prior to the first anticipated filing date of each Registration Statement (or such shorter period to which the parties agree), the Company shall notify the Investor in writing of the information the Company requires from the Investor with respect to such Registration Statement. It shall be a condition precedent to the obligations of the Company to complete the registration pursuant to this Agreement with respect to

the Registrable Securities of the Investor that the Investor shall furnish to the Company such information regarding itself, the Registrable Securities held by it and the intended method of disposition of the Registrable Securities held by it, as shall be reasonably required to effect and maintain the effectiveness of the registration of such Registrable Securities. The Investor shall execute such documents in connection with such registration as the Company may reasonably request.

(b) The Investor agrees to cooperate with the Company as reasonably requested by the Company in connection with the preparation and filing of each Registration Statement hereunder, unless the Investor has notified the Company in writing of the Investor's election to exclude all of the Investor's Registrable Securities from such Registration Statement.

(c) The Investor agrees that, upon receipt of any notice from the Company of the happening of any event of the kind described in Section 3(p) or the first sentence of 3(f), the Investor shall as soon as is reasonably practicable discontinue disposition of Registrable Securities pursuant to any Registration Statement(s) covering such Registrable Securities until the Investor's receipt of the copies of the supplemented or amended Prospectus contemplated by Section 3(p) or the first sentence of Section 3(f) or receipt of notice that no supplement or amendment is required and maintain the confidentiality of any information included in such notice delivered by the Company unless otherwise required by law or subpoena. Notwithstanding anything to the contrary in this Section 4(c), the Company shall cause its Transfer Agent to deliver DWAC Shares, free from all restrictive legends, to a transferee of the Investor in accordance with the terms of the Purchase Agreement in connection with any sale of Registrable Securities with respect to which the Investor has entered into a contract for sale prior to the Investor's receipt of a notice from the Company of the happening of any event of the kind described in Section 3(p) or the first sentence of Section 3(f) and for which the Investor has not yet settled.

(d) The Investor covenants and agrees that it shall use commercially reasonable efforts to comply with the prospectus delivery and other requirements of the Securities Act as applicable to it in connection with sales of Registrable Securities pursuant to a Registration Statement.

ARTICLE V

EXPENSES OF REGISTRATION

Section 5. Expenses of Registration.

Except as otherwise provided in Section 10.1(i) of the Purchase Agreement, all reasonable expenses of the Company and of the Investor (other than sales or brokerage commissions and legal counsel fees and expenses) incurred in connection with registrations, filings or qualifications pursuant to Sections 2 and 3, including, without limitation, all registration, listing and qualifications fees, printers and accounting fees, and fees and disbursements of counsel for the Company, shall be paid by the Company.

ARTICLE VI

INDEMNIFICATION

Section 6. Indemnification.

(a) To the fullest extent permitted by law, the Company will, and hereby does, indemnify, hold harmless and defend the Investor, its affiliates, each of their respective directors, officers, shareholders, members, partners, employees, agents, representatives (and any other Persons with a functionally equivalent role of a Person holding such titles notwithstanding the lack of such title or any other title) and each Person, if any, who controls the Investor within the meaning of the Securities Act or the Exchange Act and each of the directors, officers, shareholders, members, partners, employees, agents, representatives (and any other Persons with a functionally equivalent role of a Person holding such titles notwithstanding the lack of such title or any other title) of such controlling Persons (each, an “**Investor Party**” and collectively, the “**Investor Parties**”), from and against all losses, liabilities, obligations, claims, contingencies, damages, costs and expenses (including all judgments, amounts paid in settlement, court costs, all reasonable out of pocket legal or other expenses reasonably incurred in investigating, preparing or defending any litigation, commenced or threatened, or any claim whatsoever), amounts paid in settlement or expenses, joint or several, (collectively, “**Claims**”) reasonably incurred in investigating, preparing or defending any action, claim, suit, inquiry, proceeding, investigation or appeal taken from the foregoing by or before any court or governmental, administrative or other regulatory agency, body or the Commission, whether pending or threatened, whether or not an Investor Party is or may be a party thereto (“**Indemnified Damages**”), to which any of them may become subject insofar as such Claims (or actions or proceedings, whether commenced or threatened, in respect thereof) arise out of or are based upon (a) (i) any untrue statement or alleged untrue statement of a material fact in a Registration Statement or any post-effective amendment thereto or in any filing made in connection with the qualification of the offering under the securities or other “Blue Sky” laws of any jurisdiction in which Registrable Securities are offered (“**Blue Sky Filing**”), or the omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading or (ii) any untrue statement or alleged untrue statement of a material fact contained in any Prospectus (as amended or supplemented) or in any Prospectus Supplement or the omission or alleged omission to state therein any material fact necessary to make the statements made therein, in light of the circumstances under which the statements therein were made, not misleading (the matters in the foregoing clauses (i) and (ii) being, collectively, “**Violations**”) or (b) any breach by the Company of its representations, warranties, covenants or agreements under this Agreement. The Company agrees to promptly notify the Investor of the commencement of any litigation or proceedings against the Company or any of its officers, directors or controlling person in connection with the issue and sale of the Registrable Shares or in connection with the Registration Statement or the Prospectus. Subject to Section 6(c), the Company shall reimburse the Investor Parties, promptly as such expenses are incurred and are due and payable, for any reasonable and documented legal fees or other reasonable and documented expenses incurred by them in connection with investigating or defending any such Claim. Notwithstanding anything to the contrary contained herein, the indemnification agreement contained in this Section 6(a): (i) shall not apply to a Claim by an Investor Party arising out of or based upon a Violation which occurs in reliance upon and in conformity with information furnished in writing to the Company by the Investor for the Investor expressly for use in connection with the preparation of the Registration Statement, Prospectus or Prospectus Supplement or any such amendment thereof or supplement thereto (it being hereby acknowledged and agreed that the written information set forth on Exhibit B is the only written information furnished to the Company by or on behalf of the Investor expressly for use in any Registration Statement, Prospectus or Prospectus Supplement); (ii) shall not be available to the Investor to the extent such Claim is based on a failure of the Investor to deliver or to cause to be delivered the Prospectus (as amended or

supplemented) made available by the Company (to the extent applicable), including, without limitation, a corrected Prospectus, if such Prospectus (as amended or supplemented) or corrected Prospectus was timely made available by the Company pursuant to Section 3(d) and then only if, and to the extent that, following the receipt of the corrected Prospectus no grounds for such Claim would have existed; and (iii) shall not apply to amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of the Company, which consent shall not be unreasonably withheld or delayed. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of the Investor Party and shall survive the transfer of any of the Registrable Securities by the Investor pursuant to Section 9.

(b) In connection with any Registration Statement in which the Investor is participating, the Investor agrees to severally and not jointly indemnify, hold harmless and defend, to the same extent (in terms of the nature of Claims and Indemnified Damages) and in the same manner as set forth in Section 6(a), the Company, each of its directors, each of its officers who signs the Registration Statement and each Person, if any, who controls the Company within the meaning of the Securities Act or the Exchange Act (each, an “**Company Party**”), against any Claim or Indemnified Damages to which any of them may become subject, under the Securities Act, the Exchange Act or otherwise, insofar as such Claim or Indemnified Damages arise out of or are based upon any Violation, in each case, to the extent, and only to the extent, that such Violation occurs in reliance upon and in conformity with information furnished in writing to the Company by the Investor for the Investor expressly for use in connection with the preparation of the Registration Statement, Prospectus or Prospectus Supplement or any such amendment thereof or supplement thereto (it being hereby acknowledged and agreed that the written information set forth on Exhibit B is the only written information furnished to the Company by or on behalf of the Investor expressly for use in any Registration Statement, Prospectus or Prospectus Supplement); and, subject to Section 6(c) and the below provisos in this Section 6(b), the Investor shall reimburse a Company Party any legal or other expenses reasonably incurred by such Company Party in connection with investigating or defending any such Claim; provided, however, the indemnity agreement contained in this Section 6(b) and the agreement with respect to contribution contained in Section 7 shall not apply to amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of the Investor, which consent shall not be unreasonably withheld or delayed; and provided, further that the Investor shall be liable under this Section 6(b) for only that amount of a Claim or Indemnified Damages as does not exceed the net proceeds to the Investor as a result of the applicable sale of Registrable Securities pursuant to such Registration Statement, Prospectus or Prospectus Supplement. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of such Company Party and shall survive the transfer of any of the Registrable Securities by the Investor pursuant to Section 9.

(c) Promptly after receipt by an Investor Party or Company Party (as the case may be) under this Section 6 of notice of the commencement of any action or proceeding (including, without limitation, any governmental action or proceeding) involving a Claim, such Investor Party or Company Party (as the case may be) shall, if a Claim in respect thereof is to be made against any indemnifying party under this Section 6, deliver to the indemnifying party a written notice of the commencement thereof. The indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume control of the defense thereof with counsel mutually satisfactory to the indemnifying party and the Investor Party or the Company Party (as the case may be); provided, however, an Investor Party or Company Party (as the case may be) shall have the right to retain its own counsel with the reasonable fees and expenses of such counsel to be paid by the indemnifying party if (i) the indemnifying party has agreed in writing to pay such fees and expenses; (ii) the indemnifying party shall have failed promptly to assume the defense of such Claim and to employ counsel reasonably satisfactory to such Investor Party or Company Party (as the case may be) in any such Claim; (iii) the named parties to any such Claim (including, without limitation, any impleaded parties) include both such Investor Party or Company Party (as the case may be) and the indemnifying party, and such Investor Party or such Company Party (as the case may be) shall have been advised by counsel that a conflict of interest is likely to exist if the same counsel were to represent such Investor Party or such Company Party and the indemnifying party (in which case, if such Investor Party or such Company Party (as the case may be) notifies the indemnifying party in writing that it elects to employ separate counsel at the expense of the indemnifying party, then the indemnifying party shall not have the right to assume the defense thereof on behalf of the indemnified party and such counsel shall be at the expense of the indemnifying party); or (iv) the indemnified party has reasonably concluded (based on advice of counsel) that there may be legal defenses available to it or another indemnified party that are different from or in addition to those available to the indemnifying party, provided further that in the case of clause (iii) above the indemnifying party shall not be responsible for the reasonable fees and expenses of more than one (1) separate legal counsel for all Investor

Parties or Company Parties (as the case may be). The Company Party or Investor Party (as the case may be) shall reasonably cooperate with the indemnifying party in connection with any negotiation or defense of any such action or Claim by the indemnifying party and shall furnish to the indemnifying party all information reasonably available to the Company Party or Investor Party (as the case may be) which relates to such action or Claim. The indemnifying party shall keep the Company Party or Investor Party (as the case may be) reasonably apprised at all times as to the status of the defense or any settlement negotiations with respect thereto. No indemnifying party shall be liable for any settlement of any action, claim or proceeding effected without its prior written consent; provided, however, the indemnifying party shall not unreasonably withhold, delay or condition its consent. Notwithstanding anything in this Agreement, if at any time an Investor Party shall have requested the Company to reimburse the Investor Party for fees and expenses of counsel as contemplated by Section 6(a), the Company agrees that it shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 15 days after receipt by the Company of the aforesaid request and (ii) the Company shall not have reimbursed the Investor Party in accordance with such request prior to the date of such settlement. No indemnifying party shall, without the prior written consent of the Company Party or Investor Party (as the case may be), consent to entry of any judgment or enter into any settlement or other compromise which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Company Party or Investor Party (as the case may be) of a release from all liability in respect to such Claim or litigation, and such settlement shall not include any admission as to fault on the part of the Company Party. For the avoidance of doubt, the immediately preceding sentence shall apply to Sections 6(a) and 6(b) hereof. Following indemnification as provided for hereunder, the indemnifying party shall be subrogated to all rights of the Company Party or Investor Party (as the case may be) with respect to all third parties, firms or corporations relating to the matter for which indemnification has been made. The failure to deliver written notice to the indemnifying party within a reasonable time of the commencement of any such action shall not relieve such indemnifying party of any liability to the Investor Party or Company Party (as the case may be) under this Section 6, unless and solely to the extent that the indemnifying party is materially and adversely prejudiced by the failure to receive such notice in its ability to defend such action.

(d) No Person involved in the sale of Registrable Securities who is guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) in connection with such sale shall be entitled to indemnification from any Person involved in such sale of Registrable Securities who is not guilty of fraudulent misrepresentation.

(e) The indemnification required by this Section 6 shall be made by periodic payments of the amount thereof during the course of the investigation or defense, promptly upon the receipt of bills or as the Indemnified Damages are incurred; provided that any Person receiving any payment pursuant to this Section 6 shall promptly reimburse the Person making such payment for the amount of such payment to the extent a court of competent jurisdiction makes a final determination that such Person receiving such payment was not entitled to such payment.

(f) The indemnity and contribution agreements contained herein in Section 6 and Section 7 shall be in addition to (i) any cause of action or similar right of the Company Party or Investor Party against the indemnifying party or others, including any rights under the Purchase Agreement, and (ii) any liabilities the indemnifying party may be subject to pursuant to the law.

ARTICLE VII

CONTRIBUTION

Section 7. Contribution.

In order to provide for just and equitable contribution in circumstances in which the indemnification provided for in Section 6 for any reason is held to be unavailable or insufficient to hold an indemnified party harmless, the indemnifying party will make maximum contribution with respect to any amounts for which it would otherwise be liable under Section 6 to the fullest extent permitted by law; provided, however: no contribution shall be made under circumstances where the maker would not have been liable for indemnification under Section 6 of this Agreement. If, but only if, the allocation provided by the foregoing sentence is not permitted by applicable law, the allocation of contribution shall be made in such proportion as is appropriate to reflect the relative fault of the Company, on the one

hand, and the Investor Party, on the other hand, with respect to the statements or omission that resulted in such loss, claim, liability, expense or damage, or action in respect thereof, as well as any other relevant equitable considerations with respect to such offering. Such relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company or the Investor Party, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and the Investor Party agree that it would not be just and equitable if contributions pursuant to this Section 7 were to be determined by pro rata allocation or by any other method of allocation that does not take into account the equitable considerations referred to herein. The amount paid or payable by an indemnified party as a result of the loss, claim, liability, expense, or damage, or action in respect thereof, referred to above in this Section 7 shall be deemed to include, for the purpose of this Section 7, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim to the extent consistent with Section 6 hereof. Notwithstanding the foregoing provisions of this Section 7, the contribution by any seller of Registrable Securities shall be limited in amount to the amount of net proceeds received by such seller from the applicable sale of such Registrable Securities pursuant to such Registration Statement and no other person found guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) will be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. Notwithstanding the provisions of this Section 7, the Investor shall not be required to contribute, in the aggregate, any amount in excess of the amount by which the net proceeds actually received by the Investor from the applicable sale of the Registrable Securities subject to the Claim exceeds the amount of any damages that the Investor has otherwise been required to pay, or would otherwise be required to pay under Section 6(b), by reason of such untrue or alleged untrue statement or omission or alleged omission. For purposes of this Section 7, any person who controls a party to this Agreement within the meaning of the Securities Act, any affiliates of the Investor Party and any officers, directors, partners, employees or agents of the Investor Party or any of its affiliates, will have the same rights to contribution as that party, and each director of the Company and each officer of the Company who signed the Registration Statement will have the same rights to contribution as the Company, subject in each case to the provisions hereof. Any party entitled to contribution, promptly after receipt of notice of commencement of any action against such party in respect of which a claim for contribution may be made under this Section 7, will notify any such party or parties from whom contribution may be sought, but the omission to so notify will not relieve that party or parties from whom contribution may be sought from any other obligation it or they may have under this Section 7 except to the extent that the failure to so notify such other party materially prejudiced the substantive rights or defenses of the party from whom contribution is sought. No party will be liable for contribution with respect to any action or claim settled without its written consent if such consent is required pursuant to Section 6(c) hereof.

ARTICLE VIII

REPORTS UNDER THE EXCHANGE ACT

Section 8. Reports Under the Exchange Act. With a view to making available to the Investor the benefits of Rule 144, the Company agrees to:

- (a) use its commercially reasonable efforts to make and keep public information available, as those terms are understood and defined in Rule 144;
- (b) use its commercially reasonable efforts to file with the Commission in a timely manner all reports and other documents required of the Company under the Securities Act and the Exchange Act so long as the Company remains subject to such requirements (it being understood that nothing herein shall limit any of the Company's obligations under the Purchase Agreement) and the filing of such reports and other documents is required for the applicable provisions of Rule 144;
- (c) furnish to the Investor so long as the Investor owns Registrable Securities (or securities that have ceased to be Registrable Securities pursuant to Section 2(f)(iii)), promptly upon request, (i) a written statement by the Company, if true, that it has complied with the reporting, submission and posting requirements of Rule 144 and the Exchange Act, (ii) a copy of the most recent annual or quarterly report of the Company and such other reports and documents so filed by the Company with the Commission if such reports are not publicly available via EDGAR, and (iii) such other information as may be reasonably requested to permit the Investor to sell such securities pursuant to Rule 144 without registration;

(d) take such additional action as is reasonably requested by the Investor to enable the Investor to sell the Registrable Securities pursuant to Rule 144, including, without limitation, delivering all such legal opinions, consents, certificates, resolutions and instructions to the Company's Transfer Agent without unreasonable delay as may be reasonably requested from time to time by the Investor and otherwise use its best efforts to fully cooperate with Investor and Investor's broker in their efforts to effect such sale of securities pursuant to Rule 144; and

(e) promptly inform the Investor once the securities may be sold without registration pursuant to Rule 144 or any successor rule promulgated under the Securities Act.

ARTICLE IX

ASSIGNMENT OF REGISTRATION RIGHTS

Section 9. Assignment of Registration Rights.

(a) The Company shall not assign this Agreement or any of its rights or obligations hereunder.

(b) The Investor may assign or delegate its rights, duties or obligations under this Agreement, in whole or in part, to any of its affiliates ("*Permitted Transferee*") to whom it transfers Registrable Securities; provided that such Registrable Securities remain Registrable Securities following such transfer.

ARTICLE X

AMENDMENT OR WAIVER

Section 10. Amendment or Waiver.

No provision of this Agreement may be (i) amended other than by a written instrument signed by both parties hereto or (ii) waived other than in a written instrument signed by the party against whom enforcement of such waiver is sought. Failure of any party to exercise any right or remedy under this Agreement or otherwise, or delay by a party in exercising such right or remedy, shall not operate as a waiver thereof.

ARTICLE XI

MISCELLANEOUS

Section 11. Miscellaneous.

(a) Solely for purposes of this Agreement, a Person is deemed to be a holder of Registrable Securities whenever such Person owns or is deemed to own of record such Registrable Securities. If the Company receives conflicting instructions, notices or elections from two or more Persons with respect to the same Registrable Securities, the Company shall act upon the basis of instructions, notice or election received from such record owner of such Registrable Securities.

(b) Any notices, consents, waivers or other communications required or permitted to be given under the terms of this Agreement shall be given in accordance with Section 10.4 of the Purchase Agreement.

(c) The Company and the Investor acknowledge and agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that either party shall be entitled to an injunction or injunctions to prevent or cure breaches of the provisions of this Agreement by the other party and to enforce specifically the terms and provisions hereof (without the necessity of showing economic loss and without any bond or other security being required), this being in addition to any other remedy to which either party may be entitled by law or equity.

(d) All questions concerning the construction, validity, enforcement and interpretation of this Agreement shall be governed by the internal laws of the State of New York, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of New York or any other jurisdictions) that would cause the application of the laws of any jurisdictions other than the State of New York. Each party hereby irrevocably submits to the exclusive jurisdiction of the federal courts sitting in The City of New York, Borough of Manhattan, for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof to such party at the address for such notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. If any provision of this Agreement shall be invalid or unenforceable in any jurisdiction, such invalidity or unenforceability shall not affect the validity or enforceability of the remainder of this Agreement in that jurisdiction or the validity or enforceability of any provision of this Agreement in any other jurisdiction. **EACH PARTY HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE TO, AND AGREES NOT TO REQUEST, A JURY TRIAL FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR IN CONNECTION HEREWITH OR ARISING OUT OF THIS AGREEMENT OR ANY TRANSACTION CONTEMPLATED HEREBY.**

(e) The Transaction Documents set forth the entire agreement and understanding of the parties solely with respect to the subject matter thereof and supersedes all prior and contemporaneous agreements, negotiations and understandings between the parties, both oral and written, solely with respect to such matters. There are no promises, undertakings, representations or warranties by either party relative to subject matter hereof not expressly set forth in the Transaction Documents. Notwithstanding anything in this Agreement to the contrary and without implication that the contrary would otherwise be true, nothing contained in this Agreement shall limit, modify or affect in any manner whatsoever (i) the conditions precedent to a VWAP Purchase or Intraday VWAP Purchase contained in Article VII of the Purchase Agreement or (ii) any of the Company's obligations under the Purchase Agreement.

(f) The parties agree that each of them and their respective counsel has reviewed and had an opportunity to revise this Agreement. Any reference in this Agreement to "**Dollars**" or "\$" shall mean the lawful currency of the United States of America. Any references to "Section" or "Article" in this Agreement shall, unless otherwise expressly stated herein, refer to the applicable Section or Article of this Agreement.

(g) This Agreement shall inure to the benefit of and be binding upon the parties hereto, the Permitted Transferees and their respective successors. This Agreement is not for the benefit of, nor may any provision hereof be enforced by, any Person, other than the parties hereto, any Permitted Transferee, their respective successors and the Persons referred to in Sections 6 and 7 hereof.

(h) The headings in this Agreement are for convenience of reference only and shall not limit or otherwise affect the meaning hereof. Unless the context clearly indicates otherwise, each pronoun herein shall be deemed to include the masculine, feminine, neuter, singular and plural forms thereof. The terms "including," "includes," "include" and words of like import shall be construed broadly as if followed by the words "without limitation." The terms "herein," "hereunder," "hereof" and words of like import refer to this entire Agreement instead of just the provision in which they are found.

(i) This Agreement may be executed in two or more identical counterparts, all of which shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party; provided that a facsimile signature or signature delivered by e-mail in a ".pdf" format data file, including any electronic signature complying with the U.S. federal ESIGN Act of 2000, e.g., www.docusign.com, www.echosign.adobe.com, etc., shall be considered due execution and shall be binding upon the signatory thereto with the same force and effect as if the signature were an original signature.

(j) Each party shall do and perform, or cause to be done and performed, all such further acts and things, and shall execute and deliver all such other agreements, certificates, instruments and documents as any other party may reasonably request in order to carry out the intent and accomplish the purposes of this Agreement and the consummation of the transactions contemplated hereby.

(k) The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent and no rules of strict construction will be applied against any party.

(l) The provisions of Article V (Expenses of Registration), Article VI (Indemnification), Article VII (Contributions) and this Article XI (Miscellaneous) shall remain in full force and effect indefinitely notwithstanding termination of this Agreement.
